*a new history of christianity in china* written by one of the world's leading writers on christianity in china looks at christianity's long history in china its extraordinarily rapid rise in the last half of the twentieth century and charts its future direction provides the first comprehensive history of christianity in china an important understudied area in both asian studies and religious history traces the transformation of christianity from an imported western religion to a thoroughly chinese religion contextualizes the growth of christianity in china within national and local politics offers a portrait of the complex religious scene in china today contrasts china with other non western societies where christianity is surging

*a comprehensive sourcebook for historians and sinologists containing biographies of over 1000 christian missionaries who served in china before 1955* in this monumental reference work leopold leeb provides biographical accounts of over 1000 missionaries in china beginning in the year 635 and continuing through the mid twentieth century missionaries to china a historical dictionary is distinctive for its wide historical range its emphasis on catholic protestant and orthodox missions and its many entries on women and lesser known figures in the missionary history of china based on sources in several languages including chinese german french and latin leeb's dictionary is a wellspring of historical and cultural information the book's biographical entries are contextualized by an introduction to the history and historiography of china missionaries enhancing its functionality as a research tool the dictionary provides the english and chinese names of both the missionary figures and the titles of works that they published the dictionary lists all place names in china in both english and chinese and it features a bilingual index of names and a topical index given the book's scope of information and user friendly design missionaries to china a historical dictionary is an essential

resource for scholars studying christianity and missionary activity in china

bayard taylor 1825 1878 was a nineteenth century american who combined in his writings and career a catalog of accomplishments and creations that made him one of the most celebrated literary men of his time the range and significance of taylor s oeuvre explains his growing importance today to scholars working in the fields of american studies gender and queer theory and the aesthetics of racial and class identities in less than 35 years he wrote seventeen volumes of poetry four novels eight critical works and translations of german classics nineteen travel narratives innumerable magazine essays stories and reviews and thousands of letters to friends admirers hostile reviewers business acquaintances and intimate male companions his extraordinary success on the public lecture circuit made him one of the best known men of his day taylor s diplomatic career enhanced his reputation and influence as a travel writer and included service as a writer for the perry expedition to japan as a chargé d affaires to russia during the civil war and ambassador to germany in 1878 this analysis of taylor s life and works helps to explain three important shifts in american culture the contradictory development of american ethnocentrism and cosmopolitanism in the nineteenth century the impact of homophobia and homophilia upon american literary production criticism and culture and the inspirational role played by poetry within a religious and economically driven society the introduction describes taylor s changing fortunes within literary history and presents a methodological approach to the genteel tradition that recovers its distinctive aesthetic and social values and explains how taylor is its most winning and significant representative taylor was a key figure in the genealogy of american interactions with the islamic world and his travel writing demonstrates how individual advancement in an egalitarian society can be linked with aggressive imperialism abroad taylor s novels display a subtle pattern of transgressive sexuality and demonstrate how taylor s manipulation of reputation and genteel aesthetics created a space for individual expression and freedom taylor s 1870 novel *joseph and his friend* is frequently cited as america s first gay novel this book s analysis of taylor s poetry draws the strands of egalitarian racialization and male male intimacy together with his abiding concern with regional american identities and the mixed influences of religious subcultures

this book s compelling analysis examines the narratives surrounding us china relations from early american perspectives to the present day revealing enduring perceptions of china that continue to significantly influence policy decisions as revealed through discourse americans find china to be an amalgam of the curious and fantastic a swirling kaleidoscope of emotion and intellectual challenge 19th century depictions of china amounted to an odd assortment of images that did not add up to a single cohesive vision 20th century perceptions about china merged ancient philosophers with political leaders knitted ancient philosophy with socialist ideals and amplified the exotic while minimizing the more mundane evoking a spectrum of american passions hopes and fears in the 21st century this swirling kaleidoscope continues to shape american perspectives on china the book offers a unique examination of the complex history of the modern world s most important bilateral relationship through the lens of discourse analysis it provides a fresh perspective unveiling previously overlooked narratives illuminating the dynamics between these global powerhouses and suggesting pathways for the future

this new volume in the award winning encountering mission series is for current and future missionaries it provides practical guidance regarding getting ready for the mission field and the realities of life on the field the authors are well qualified to write such a manual each having served as a missionary for more than twenty years and each having taught missions in seminary the authors begin by examining the contemporary context for missions including the recognition that the world s mission fields are in constant and often rapid change they then discuss aspects of preparing oneself for the mission field beginning with home front preparations and moving to on the field preparations the final section deals with practical issues and challenges of missionary life

claws of the panda tells the story of canada s failure to construct a workable policy towards the people s republic of china in particular the book tells of ottawa s failure to recognize and

confront the efforts by the chinese communist party to infiltrate and influence canadian institutions and to exert control over canadians of chinese heritage it shows how canadian leaders have constantly misjudged the reality of the relationship while the ccp and its agents have benefited from canadian naivete the expanded and updated edition of claws of the panda arrives at a crucial point as canada s delusions about its friendly relations with the ccp have fallen apart since the book s initial publication this edition sets out to uncover ottawa s relationship with beijing in light of the ccp regime s increasingly suspicious and belligerent relations with the us and europe the age of a distinctly canadian bilateral relationship with beijing is over

excerpt from hudson taylor and the china inland mission the growth of a work of god surely never was man better fitted for his work than he for the difficult undertaking of founding and conducting a great interdenominational and international mission in million peopled china the china inland mission was conceived in his soul and every stage of its advance sprung from his personal exertions in the quiet of his heart in deep unutterable communings with god the mission had its origin and it remains his memorial on that noble monument not of perishable marble and in characters not of man s inditing his name is written his dust sleeps now in china silence has fallen on the lips which long pleaded china s cause but the effects of the plea remain in the con version of thousands called out of heathen darkness into god s marvellous light and the existence of a mission whose present influence and future growth are beyond our powers to estimate to god be all the glory about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this handbook of cities and networks provides a cutting edge overview of research on how economic social and transportation networks affect processes both in and between cities exploring the ways in which cities connect and intertwine it offers a varied set of collaborations highlighting different theoretical historical and methodological perspectives

christian heroes then now have set a new standard of quality in christian biography these thrilling true adventures are the best written biographies for ages 10 and up a pioneer missionary to china at age 21 hudson taylor eventually led 641 missionaries about half the entire protestant force in china 1832 1905

until within the past ten years a study of chinese court life would have been an impossibility the emperor the empress dowager and the court ladies were shut up within the forbidden city away from a world they were anxious to see and which was equally anxious to see them then the emperor instituted reform the empress dowager came out from behind the screen and the court entered into social relations with europeans

inspired by the lectures in munich of the german orientalist karl friedrich neumann thomas taylor meadows 1815 68 devoted himself to the study of chinese in 1841 with the aim of entering british service he arrived in china early in 1843 and rose quickly to the post of consular interpreter at the key treaty port of canton guangzhou where he remained for several years this work first published in 1856 is an expansive treatment of matters relating to the present chinese rebellion namely the taiping rebellion 1850 64 meadows discusses the ongoing conflict within its historical and cultural context offering also observations and recommendations on anglo chinese relations he closes with a lengthy disquisition on the nature and state of civilization in the east and west

*the inspiring story of one man's love for god and his unflinching commitment to present the gospel of christ to the chinese previously published under the title to china with love this book recounts the thrilling story of hudson taylor and the eventual formation of the china inland mission hudson taylor left england on september 19 1853 and did not reach china until spring of the following year the long and arduous voyage persecution poverty and the difficulties of culture and language did not deter taylor from the divine task of his calling few men have been such an instrument in god's hands for proclaiming the gospel to a vast population and bringing so many christian churches into being the autobiography of a man whose influence in china is still felt today*

*maggie and jennifer arnold are off to china encountering both the famous terra cotta army and modern thieves who are after something deadly*

*in court life in china the capital its officials and people isaac taylor headland offers an intricate portrait of life in the chinese imperial court during the late qing dynasty through a blend of personal narratives and detailed observations headland captures the essence of courtly rituals governance and the daily lives of officials and commoners alike the book is characterized by its accessible prose and meticulous ethnography providing a vivid depiction of social hierarchies and cultural intricacies within the capital city by situating his work within the broader context of western perceptions of china during the late 19th century headland invites readers to question conventional stereotypes and engage with the complexities of mandarin society isaac taylor headland was an american missionary and educator who spent significant time in china providing him with a firsthand perspective on the socio political landscape of the time his experiences in both academic and ecclesiastical roles enabled him to develop a nuanced understanding of chinese culture and governance this background informs the rich ethnographic insights found in his work as he strives to bridge cultural divides and present an authentic image of chinese court life readers interested in cross cultural studies asian history or the dynamics of governance will find this book an invaluable resource headland's comprehensive approach and keen observations render court life in china a captivating journey into a world often shrouded in mystery and misunderstanding this work is essential for those seeking a deeper appreciation of china's historical context and its intricate societal structures*
