long ago during the great purge the witches that had grown too many in number and too powerful were destroyed the high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified so they killed all of the witches and their creator or so they thought but they were wrong volcan the high fae who had once been a member of their council until he decided he wanted to be all powerful and created the witches had bided his time hiding in the dark forest now he s back and hell bent on rebuilding his army of witches only this time he s set

his eyes on the gypsy healers to be the tool from which he creates them he already has two of the newly found healers jewel and anna with his blood running in their veins and though he thinks he's got it all planned out what volcan hadn't calculated into his formula of healers his blood witches was the healer's mates dalton and gustavo both males are more than ready to sink their teeth into the high fae who has taken their females with the darkness closing in on all four of them it is a toss up as to who will succumb to it first mean while the healers and wolves peri had stashed in the pixie realm are sitting ducks with the veil between them and the human realm locked the mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm perizada is once again fighting for those who are under her protection while at the same time trying not to kill them herself considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff period it's not certain who will destroy who the only thing that was certain none of them was willing to surrender throw in a powerful eccentric djinn who has suddenly gotten bored and things are guaranteed to get messy this is the continuation of the story of the five gypsy healers the fae who protects them and the wolves whose wrath will consume any who come between them

jacque's mind wandered as she hovered somewhere between life and death her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the carnage they'd caused to so many innocent families but something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital it wasn't fane he would be with her on the other side she knew that if she died he died too and he wouldn't have it any other way she could feel peri's presence in her body the fae was fighting expending every ounce of her energy to keep her and fane alive and the strain was taking its toll on the fae but why why was the fae fighting as if her own life depended upon jacque's survival jacque was starting to remember someone else someone that depended on her a brand new life precious and perfect her son costin's best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae but the thread holding costin to his own sanity was just as feeble sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone simply vanished costin didn't know how or where and it was tearing him up inside the young boy titus his adopted son was the only thing that kept his wolf from taking over completely costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral would at bay bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight the strongest of alpha females raised with a full understanding of pack law and the

power of the mate bond would have had a tough time dealing with the wolf bethany a dormant who had no idea who or what she was didn't stand a chance

dalton black a canis lupis full of guilt and anger never expected to find his true mate perhaps already slipping into madness he had resigned himself to the fact that he would walk the earth without the other half of his soul he was convinced that his sins were enough to keep the great luna from giving him such a blessing he knew it was probably better that way his past was as dark as his name and after three centuries of running from it the

memories were finally catching up to him but all of those resignations evaporated when he saw her broken and bloodied body lying on that altar though the man didn't recognize her the wolf did through battle and bloodshed he was able to save her from the evil that held her captive but now he would need her to save him from himself jewel stone was wholly unaware of the ancient bloodlines of gypsy healers mates to canis lupis and protectors of the packs much less that she carried that blood herself but when a beautiful but deadly woman showed up in her home and ripped her from her realm she knew her life would never be the same her mother gem a fortune teller had warned her that something was coming that her life was about to change dramatically but like everyone else jewel had dismissed her as a crazy person jewel was the laughing stock of her school simply because gem was her mother and up until now her life was one big disappointment after another instead of heeding her mother's warning she hid in her books burying herself behind knowledge both fact and fiction she escaped into worlds created by others and filled her mind with facts of every kind in an effort to push away the hurtful words that others bombarded her with despite all of her knowledge and all of her fantastical stories she never dreamed her own future would be full of adventure danger passion and the possibility of unconditional love as she lay unconscious after her first bloody encounter in the fae realm her only chance of survival lay in the hands of a man scarred by his past disfigured both emotionally and physically and beyond the reach of any who had tried to help him can two broken people who carry the other half of each other's souls span the chasm between them and restore the innocence ripped from both their lives will they let the promise of healing love overcome the difference in age and experience and the separation of species and realms or will they give in to the fear and doubt that would keep them from one another for eternity
