this book has earned wide acceptance as an outstanding single volume history of doctrine it is ideally suited for classroom and seminar use as well as research and independent study with remarkable conciseness and clarity lohse shows how doctrinal development has occurred in the various periods of the church s history from the first century to the present he explores and discusses one by one the dogmas and doctrines that constitute the milestones in the story

of the church s effort to proclaim the message of jesus christ to each age this revised american edition includes a new preface by the author an account of the significance of the second vatican council and alterations in the for further reading section to bring it up to date

the problem of change has assumed great prominence in much of the current ferment in theology and many of the issues in question can best be interpreted as relating to the validity and limits of doctrinal development the questions cannot be faced constructively however until the development of doctrine has been clearly charted a historical as well as a theological assignment in this unique introductory survey more modest in scope but more scholarly in method than cardinal newman s great programmatic essay of 1845 mr pelikan presents three case histories of the particular doctrines that have crucial points of division among christians his cogent analyses of cyprian on original sin athanasius on the virgin mary and hilary on the holy spirit demonstrate the interaction between the sacramental life of the church and the intellectual work of the theologian that consistently marked the development of doctrine by the early fathers thus they clarify some central aspects of the continuing theological and ecumenical debates mr pelikan titus street professor of ecclesiastical history at yale university is the author of many books and articles including a forthcoming full scale history of the development of doctrine
