connecting sound biblical doctrine to the practice of effective counseling jay e adams vocal advocate of a strictly biblical approach to counseling and author of the highly influential book competent to counsel firmly believes that the bible itself provides all the principles needed for understanding and engaging in holistic counseling but in order to bring the practice of counseling whether by professional therapists or by the church under biblical guidance we first have to deepen our understanding of scripture a theology of christian counseling is the connection between solid theology the study of god and its practical application each of its sections are devoted to increasing our understanding of counseling s potential by looking at it through the lens of doctrines such as prayer and the doctrine of god human sin and the doctrine of man redemption and the doctrine of salvation forgiveness and the doctrine of sanctification no counseling system that is based on some other foundation can begin to offer what christian counseling offers no matter what the problem is no matter how greatly sin has abounded the christian counselor s stance is struck by the far more abounding nature of the grace of jesus christ in redemption what a difference this makes in counseling jay e adams with this book you ll gain insight into the rich theological framework that supports and directs your approach to how you help people change

this substantially revised and updated edition of a widely used textbook covers the major approaches to counseling and psychotherapy from a christian perspective with hypothetical verbatim transcripts of interventions for each major approach and the latest empirical or research findings on their effectiveness the second edition covers therapies and techniques that are increasing in use reduces coverage of techniques that are waning in importance and includes a discussion of lay counseling the book presents a christian approach to counseling and psychotherapy that is christ centered biblically based and spirit filled

my name is dr pearlie braswell tripp ph d i do not claim to be an expert in religion psychology or counseling but experience has taught me a lot about all three 2 timothy 2 15 says study to show thyself approved unto god a workman that needeth not be ashamed rightly dividing the word of truth i was born in 1943 in rocky mount north carolina into a christian family my family was attending the rock of ages holiness church my mother sister mary jones braswell played the guitar my sister christine braswell played the piano and the rest of the family sang there were seven of us girls my sisters frances christine doretha verna margaree and mary lee were older we were known as the braswell sisters my father was lee braswell the most handsome man in town i will never forget the great times we had in rocky mount nor will i forget the great rock of ages holiness church our church was two blocks away from our home that meant we had no real reason not to go many of my other relatives attended rock of ages also my mother s parents attended and so did her brother and his family those were what we now call the good ole days i really loved those days we traveled around singing the gospel until we left home for new york city in 1961 we were rooted and grounded in religion

a model of counseling that can be gracefully integrated into the functioning of the local church in effective biblical counseling gold medallion award winning author dr larry crabb asserts that counseling is simply a relationship between people who care and that its goal is to free people to better worship and serve god this book will show you how to help people achieve obedience and character growth in their lives and establish a sense of personal worth and security along the way dr crabb says i believe that god has ordained the local church to be his primary instrument to tend to his people s aches and pains in writing this book i have tried to be of practical help to christians who want to be more effective in ministering to their suffering brothers and sisters

if you have a desire to help others whether you are a minister or not introduction to christian counseling is the book for you it helps you lay out a strong foundation for counseling that is purely bible based while establishing principles in formatting your counseling model introduction to christian counseling will also help solidify the reason for opting to choose a purely christian counseling method

kirwan not only sounds a clarion call for thorough integration of psychology and theology he demonstrates that it can be done

whether you are a professional counselor meeting with a troubled couple or a layperson comforting a grieving friend counseling is something you may find yourself called to do at times from his years of experience as a clinical psychologist dr timothy foster has distilled the basics of what to do and how to do it in this practical guide in addition to offering sample counseling dialogues explaining a variety of verbal and nonverbal techniques and candidly discussing how to avoid harmful entanglements foster gives advice on counseling dos and don ts helping people who are depressed understanding how emotions work solving marital difficulties dealing with grief helping people confront themselves and much more the handbook of christian counseling is an essential reference you will want to keep on hand for easily accessible answers when others turn to you in their time of need

what would it mean for christian counseling and pastoral care to take seriously the idea that god intervenes in the world in this volume more than twenty of the best pastoral counselors clinicians and counselor educators introduce us to the models that they use to integrate the scriptures and the work of the holy spirit into their daily practice

the american association of christian counselors and tyndale house publishers are committed to ministering to the spiritual needs of people this book is part of the professional series that offers counselors the latest techniques theory and general information that is vital to their work while many books have tried to integrate theology and psychology this book takes another step and explores the importance of the spiritual disciplines in psychotherapy helping counselors to integrate the biblical principles of forgiveness redemption restitution prayer and worship into their counseling techniques since its first publication in 1996 this book has quickly become a contemporary classic a go to handbook for integrating what we know is true from the disciplines of theology and psychology and how that impacts your daily walk with god this book will help you integrate spiritual disciplines such as prayer scripture reading confession into your own life and into counseling others

mark r mcminn ph d is professor of psychology at wheaton college graduate school in wheaton illinois where he directs and teaches in the doctor of psychology program a diplomate in clinical psychology of the american board of professional psychology mcminn has thirteen years of postdoctoral experience in counseling psychotherapy and psychological testing mcminn is the author of *making the best of stress* *how life's hassles can form the fruit of the spirit* *the jekyll hyde syndrome* *controlling inner conflict through authentic living* *cognitive therapy techniques in christian counseling* and *christians in the crossfire* written with james d foster he and his wife lisa have three daughters

seasoned counselors and professors tim clinton and ron hawkins provide a landmark reference that offers a capstone definition of the emerging profession and ministry of the christian counselor appropriate for professional counselors lay counselors pastors students and teachers it includes nearly 300 entries by nearly 100 top christian counselors at approximately 500 pages this practical guide focuses on functional aspects of christian counseling and explores such important topics as christian counseling as a profession ministry and lay ministry spiritual and theological roots social emotional and relational issues skills and essentials in christian helping ethical and legal considerations intake assessment diagnosis and treatment planning premarital counseling family therapy and substance abuse counselors will also find up to date information on solution based brief therapy cognitive therapy and biblical truth and trauma and crisis intervention an essential resource for maintaining a broad and up to date perspective on helping others

stereotypical tendencies in christian counseling include either emphasizing sin at the expense of grace or grace at the expense of sin mark r mcminn seeks to overcome these exaggerations and enable all those in the helping professions see the proper understanding and place of both sin and god's grace in the christian counseling process

with compassion and urgency this book makes a plea for parishioners to engage in grappling soul to soul with troubled lives it looks toward a method of counseling which neither overlooks sin nor is reduced to a simplistic model of confrontation and exhortation

the journey of a christian counselor is written for the individual who feels drawn by the holy spirit to counsel with or without formal training in the profession it is a story within a story a chronology of the spiritual and professional journey of a young woman searching for the meaning of a vision that she saw at the birth of her son this vision changed her life but it was not until the brutal death of her son that she gained the courage to release the vision and accept its purpose in her life

a book for every christian who wants to be a vessel of the holy spirit in order to heal emotional spiritual and relational suffering it is written for the non professional christian counselor in language that is easily understood the book offers very practical suggestions along with brief descriptions of widely used counseling theories the biblical and theological reflections in each chapter provide a solid foundation for assessing each theory and its practical application

a client raises spiritual questions can a christian therapist working in a government agency talk with a client about faith a young couple with two children asks a christian counselor to help them negotiate an end to their marriage what responsibility does the counselor have to try to repair the relationship a youth group member confidentially reveals to the pastor that he is taking drugs should the pastor tell the boy's parents a counselor who teaches a college course has a client show up for class what should she do these are just a few of the complex dilemmas that therapists counselors and pastors face nearly every day handling these situations appropriately is critical for both the client's progress and the professional's personal credibility and protection from liability state and federal codes professional association statements and denominational guidelines have been drawn up to address ethical issues like competence confidentiality multiple relationships public statements third parties and documentation in this book you'll find them all compiled and interpreted in light of christian faith and practice written by qualified professional counselors and respected academic instructors this book is an indispensable resource for understanding and applying ethics in christian counseling today

here at last is a guide to christian counseling written specifically for laymen dr adams wrote this book in

response to hundreds of requests from christian laymen and pastors it provides help in a form that is both simple and nontechnical yet biblical and comprehensive although ready to restore is simple and easy to use as a beginning textbook unlike many simple books it is neither simplistic nor superficial its contents are the fruit of the author s arduous bible study as well as his long and successful ministry of the word in counseling the chapters comprise a true picture of christian counseling in a coherent and systematic way this book can be used effectively for individual study but the content scope format and language have been especially designed for textbook use in bible colleges churches bible study groups prayer meetings or older youth groups back cover

the authoritative new reference guide that equips counselors pastors and church leaders and caregivers for an effective ministry of soul care under the guidance of the highly respected american association of christian counselors aacc more than 40 leading christian professionals have come together to provide this comprehensive authoritative and up to date reference guide for professional and lay counselors pastors and leaders in training competent christian counseling offers you the best contributions on spiritual formation and pastoral care from scripture as well as from giants of church history the latest research theory and successful practice methods in christian counseling a practical 21st century model of christian counseling that is not only counselor friendly but also facilitates effective biblical client change all geared to help people mature in the ways and wisdom of jesus christ competent christian counseling edited by timothy clinton and george ohlschlager is destined to be regarded for years to come as the authoritative trustworthy resource for christian counseling

the essays collected in this volume examine evidence based approaches to christian counseling and psychotherapy exploring treatments for individuals couples and groups the book addresses both the advantages and the challenges of this evidence based approach and concludes with reflections on the future of such treatments

although there are psychologists who believe that psychology is the answer to all of mankind s mental disorders there is no one program which will be effective to help fallen mankind while the scientific knowledge of psychology has its place it must never supersede the infallible word of god therefore counselors should use this therapy very moderately and with wisdom moreover there are not many psychologists from the secular arena who are of the opinion that the word of god has any place in counseling still counseling is a function and ministry of the christian church a few years ago i did a research study which answered the question what is the purpose for counseling in the christian church and the role of psychology in this approach in my findings i found that many pastors were not interested in counseling while others sent the hurting individual to secular professionals who do not acknowledge the fallen state of man however one of the most important features of christian counseling is the truth of god s word which has effect for any condition and helps the entire person soul body and spirit this sets christian counseling apart from secular which is based on psychology the text is prepared for the christian counselor who wants to excel in the profession with a desire to help the wounded counselee dr stuart is a licensed clinical pastoral counselor who has been in the profession for many years she is the associate pastor of hope redemption worship center inc ga where rev winston l blair is pastor for more on dr stuart and to listen to archived programs on the internet go to frministry org

christians are being called upon increasingly to care counsel and cure across cultural boundaries writes the author of course foreign missionaries counsel people from other cultures but so do many pastors particularly those in urban settings because christian counseling theory presupposes that counselor and counselee share the same culture the insights of this discipline must be brought together meaningfully with the cross cultural perspectives of missiology counseling cross culturally pioneers this new field after surveying approaches to counseling in the west and those in the non western world the author develops a theory of christian cross cultural counseling the final part consistent with the author s broad view of counseling discusses counseling concerned with the well being of people christian conversion spiritual growth and development of a christian life style and christian service numerous case studies drawn from a variety of cultures provide realistic examples of the questions that counselors will encounter a psychologist who trains christian workers for cross cultural service describes this book as a helpful thoughtful study of complex issues surrounding counseling it is extremely valuable to expose any missionary candidate to this type of book it broadens awareness to cross

cultural issues and touches on common problems of missionary counselors counseling cross culturally is an admirable attempt to integrate a conservative evangelical theology with the complexities of culture and life
