there has long been a need for a comprehensive but truly introductory single authored textbook in theology by introducing the reader to the biblical doctrinal and contemporary dimensions of christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader the work explores key tools for the scientific study of theology endeavouring both to affirm the rationale behind christian thinking and also to familiarize the reader with significant contrary positions the solid foundations in biblical theology and hermeneutics given in the book will enable students to read judeo christian scripture intelligently key testimonies regarding jesus christ are scrutinized and the nature of the new testament discussed as well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary christianity the reader will become familiar with the dimensions of current christian thinking in its dialogue with post modernity

this introduction to christian theology explores the whole christian tradition in a simple and straightforward way leading wesleyan theologian don thorsen surveys the theological views represented within historic christianity and discusses the variety of positions held without favoring one over another the book includes helpful end of chapter questions for further reflection and discussion a convenient glossary of theological terms and sidebars the second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized

this book helps beginning theological students grasp the basics of christian theology consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time in the words of its authors this book offers an introduction to the fuller spectrum of christian theology as it has developed through the centuries few writers address the historical

development of the classic doctrines and the contemporary resonance as adroitly as gonzalez and perez the chapter on jesus christ for example presents concise summaries of the treatments of christ s person leading up to chalcedon while suggesting a need for a multiplicity of images in understanding the work of christ that liberates the whole person and restores all creation beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary one disappointing aspect of the book is an absence of latino a feminist and liberation perspectives for a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in hispanic theological education this lack is surprising david h jensen austin presbyterian theological seminary in religious studies review volume 29 number 3 july 2003

this book shows that theology is both integrally related to formation in jesus christ and shapes our understanding of the world christian formation is incomplete and impossible without theological formation because christ transforms our hearts and minds attuning them to the reality of god as the authors explore the deep connections between theology and the life of the christian they emphasize christian formation as a defining feature of the church arguing that theology must be integrally connected to the church s traditions and practices

students often find introductions to systematic theology too daunting or boring to wade through here author and teacher bradley hanson offers an attractive accessible alternative for undergraduates hanson draws on 16 years of successful teaching to create exciting and pertinent presentations of major topics illuminate options on key issues and nudge students to formulate a personal stance

a journey in christian theology through biblical historical and thematic perspectives with special attention to the context of today s world

regarded as the leading text in christian theology for the last 25 years alister e mcgrath s the christian theology reader is now available in a new 5th edition featuring completely revised and updated content brings together more than 350 readings from over 200 sources that chart 2 000 years of christian history situates each reading within the appropriate historical and theological

context with its own introduction commentary and study questions includes new readings on world christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning designed to function as a stand alone volume or as a companion to christian theology an introduction 6th edition for a complete overview of the subject

this text poses the question what is theology and goes on to discuss issues of methodology the relation of theology to other disciplines and different theological perspectives it also investigates topics in the fields of philosophical theology human existence revelation the language of theology and christianity and other religions symbolic theology triune god doctrines of creation the problem of evil and suffering the person of jesus christ and eschatology and applied theology the church ministry and mission word and the sacraments worship and prayer and ethics

a superb standard christian theology text for nearly a quarter century daniel migliore s faith seeking understanding explores all of the major christian doctrines in freshly contemporary ways this third edition offers new for further reading suggestions at the end of each chapter a substantial expansion of the glossary and new material incorporated throughout including a section on christians and muslims further the three imaginary theological dialogues culminating the book pointedly playful exchanges that have delighted countless readers are here joined by a fourth dialogue between karl barth and friedrich nietzsche on atheism all in all a new generation of students pastors and christian educators eager to better understand the rich heritage central themes and contemporary challenges of christian theology will find both guidance and stimulation in migliore s updated work

a new edition of leading theologian millard erickson s classic text

this small volume contains the substance of the sprunt lectures which it was the author s privilege to deliver at union seminary richmond virginia early in the month of february 1940 the lectures were given their present form four months later in very special circumstances when the author was obliged on medical advice to cancel all public engagements the pages that follow were the children and friends of solitude by the banks of the delaware the weeks of communion with them were weeks of terrible happenings for the world for the church from the foreword

this innovative work is an introduction to christian theology with a difference not only does it interpret with clarity and energy fundamental christian beliefs but it also shows how and why these beliefs arose promoting an understanding of theological reflection that encourages readers to think theologically themselves from irenaeus and aquinas to girard from augustine to zizioulas and contemporary feminist thought divine teaching explores the ways in which major thinkers in the christian tradition have shaped theology through the wide variety of their encounters with god it makes theological study adventurous and interactive not necessarily requiring a faith commitment from all but allowing readers a thoughtful involvement in the subject that takes seriously the christian vision of god as the ultimate teacher of theology divine teaching an introduction to christian theology is an imaginative and lively analysis of the christian way of thinking offering vivid and informing insight into the history and practice of christian theology

daniel migliore s faith seeking understanding has been a standard introduction to christian theology for more than a decade the book s presentation of traditional doctrine in freshly contemporary ways its concern to hear and critically engage new voices in theology and its creative and accessible style have kept it one of the most stimulating balanced and readable guides to theology available this second edition of faith seeking understanding features improvements from cover to cover besides updating and expanding the entire text of the book migliore has added two completely new chapters the first confessing jesus christ in context explores the unique contributions to christian theology made by recent theologians working in the african american asian american latin american hispanic feminist womanist and mujerista traditions the second new chapter the finality of jesus christ and religious pluralism addresses the growing interest in the relationship of christianity to other religions and their adherents migliore s three delightful theological dialogues are followed by a new appendix an extensive glossary of theological terms making the book even more useful to students seeking to understand the history themes and challenges of christian belief

an authoritative and beloved textbook updated for the current generation of theology students daniel l migliore s classic theology textbook returns in a new edition revised and supplemented with fresh material faith seeking understanding covers fundamental topics for budding theologians from biblical hermeneutics to the incarnation to the life of faith as in previous editions the material culminates in four imaginative dialogues between prominent thinkers to illustrate major theological debates in addition to updates throughout the text the fourth edition also includes a new introduction and an additional chapter on christology students will appreciate the textbook s accessible style comprehensive reading recommendations and glossary

of theological terms

this splendid introductory textbook for christian theology presents two essays by leading scholars on each of the major theological questions william placher provides an excellent discussion of the history and current state of each doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts

christian theology needs to be reconstructed in light of recent and momentous intellectual changes social revolutions and steep pedagogical challenges that is the conviction of many of north america s leading theologians whose close collaboration over several years bring us this exciting volume reconstructing christian theology introduces theology in such a way that readers can discern the relevance of historical materials pose theological questions and begin to think theologically for themselves further like other projects of the workgroup on constructive theology this volume stems from a deep desire to model a credible creative and engaged contemporary theology so each chapter tackles major christian teaching juxtaposes it with a significant social or cultural challenge and then reconstructs each in light of the other the result is an innovative and compelling way to learn how theology can contribute to rethinking the most pressing issues of our day

this fourth edition of the international bestseller is the ideal introduction for those who are new to christian theology in this revised and expanded edition the author introduces readers to the central ideas and beliefs the key debates and the leading thinkers of christianity throughout the aim is to bring clarity and brevity to the central ideas of theology both traditional and contemporary the text comprehensively covers the individual doctrines that form the christian belief system weaving together these doctrines their history and the intellectual nuance behind them into an inter connected web all major christian denominations are explored as are their differences and shared customs and beliefs this rich tapestry results in a clear view of christianity providing a coherent vision of the religion in its main forms
