any book on solved problems would be welcome by the students as they dread the unsolved problems the most problems and solutions in advanced accountancy vol i and ii is the result of realization of the same fact however this book will serve its purpose the best if before referring to it the students have attempted to solve the questions on their own the book has been designed specially to serve as a complementary set to the textbook advanced accountancy vol i and ii authored by the same team as dr s n maheshwari and dr s k maheshwari it contains detailed solutions to all the practical problems given at the end of each chapter in advanced accountancy as also solutions to the problems set at the recent university and professional examinations special feature of the book is that the problems have been properly graded

this book contains the solutions to problems in the main introduction to financial accounting textbook this text is intended for a first course in introductory financial accounting it was updated to reflect current international financial reporting standards ifrs for example it reflects the recent change in ias38 para 98 allowing the use of multiple methods in amortizing intangible assets it focuses on core introductory financial accounting topics that match pre requisite requirements for students advancing to intermediate financial accounting excluded are advanced topics that are covered in intermediate financial accounting such as leases and bond amortization the text takes a corporate approach vs beginning with a sole proprietorship emphasis and then converting to a corporate approach this consistency throughout the book reduces confusion for the introductory student

4 accounting for depreciation 5 valuation of inventory stock 6 accounting of non trading or not for profit organisations institutions 7 single entry system or accounting from incomplete records 8 hire purchase system 9 instalment payment system 10 royalty accounts 11 branch accounting 12 departmental accounts 13 dissolution of a partnership firm 14 dissolution of a partnership firm 2 insolvency of partner 15 insolvency accounts 16 preparation of journal ledger and trial balance 17 preparation of subsidiary books i cash book ii other subsidiary books
