unemployed after high school in the highly robotic society of 2154 lisse and seven friends resign themselves to a boring
existence in their designated area until the government invites them to play the game

the game is just the beginning it s the year 2154 lisse and her friends have been deemed unemployable in the eyes of
society now they must scavenge the disintegrating city for food and shelter just to make ends meet but their dismal
existence starts to look up when lisse and her friends are invited to participate in the game an experience highly
regarded in their society the game is a virtual reality experience where they are challenged to survive but as they spend
more time in the game the line between reality and fantasy starts to blur what started as a simple exercise quickly

becomes a test of endurance trust and their will to live
