john a crow a leading hispanist has culled the best translations available by such poets as

richard franshawe edward fitzgerald percy bysshe shelley lord byron henry wadsworth longfellow william cullen bryant robert southey and many distinguished modern poets of poems ranging from the eleventh century to the present to make this the most complete collection of both spanish and spanish american poetry in english translation represented here is work by such twentieth century poets as gabriela mistral octavio paz federico garcía lorca césar vallejo pablo neruda anotnio machado and juan ramón jiménez many of whom the editor has known personally the inclusion of many contemporary poets whose verse has never before appeared in english makes this anthology a particularly valuable collection

r m liuzza s broadview edition of beowulf was published at almost exactly the same time as seamus heaney s in reviewing the two together in july 2000 for the new york review of books frank kermode concluded that both translations were superior to their predecessors and that it was impossible to choose between the two the less celebrated translator can be matched with the famous one he wrote and liuzza s book is in some respects more useful than heaney s ever since the liuzza beowulf has remained among the top sellers on the broadview list with this volume readers will now be able to enjoy a much broader selection of old english poetry in translations by liuzza as the collection demonstrates the range and diversity of the works that have survived is extraordinary from heartbreaking sorrow to wide eyed wonder from the wisdom of old age to the hot blood of battle and to the deepest and most poignant loneliness there is breathless storytelling and ponderous cataloguing there is fervent religious devotion and playful teasing the poems translated here are meant to provide a sense of some of this range and diversity in doing so they also offer significant portions of three of the important manuscripts of old english poetry the vercelli book the junius manuscript and the exeter book

from tottel s miscellany 1557 to the last twentieth century oxford book of english verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry the importance of anthologies for creating and re creating the canon of english poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in britain or elsewhere in the english speaking world this volume is the first publication to explore the largely unmapped field of poetry anthologies in britain essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors

publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web

in the four volumes of the development trajectory of eastern societies and the theories and practices of socialism the author re examines marx and engels theories on the development trajectory of eastern societies by integrating theoretical analysis of marxist theories and a historical investigation of socialist revolution and socialist construction around the world this second volume focuses on marx and engels historical materialism explains the general laws of historical development and brings this to bear within the context of eastern societies the author notes that marx and engels historical materialism and its derivative theories on eastern societies are compatible and interconnected in addition he reveals how marx and engels theory of the asiatic mode of production plays an important part in the development trajectory of eastern societies and is closely related to their theory of five social forms this volume is a key reference for readers who study and are interested in marxism marxist philosophy and the history of philosophy

art and interpretation is a comprehensive anthology of readings on aesthetics its aim is to present fundamental philosophical issues in such a way as to create a common vocabulary for those from diverse backgrounds to communicate meaningfully about aesthetic issues to that end the editor has provided selections from a wide variety of challenging works in aesthetic theory both classical and modern the approach is often cross disciplinary within the discipline of philosophy it seeks to balance readings from the analytic tradition with continental european hermeneutical postmodern including deconstructionist and feminist readings the anthology is thus broadly conceived but by grouping the readings into sections such as expression and aesthetic object psychology and interpretation marxist theory and culture gender and difference it aims as well to provide depth of coverage for each topic or issue the book opens with a historical section containing substantial selections from plato aristotle hume kant shelley and nietzsche these readings introduce themes that recur and are developed in the remainder of the anthology
