what should be the place of shari a  
islamic religious law in predominantly muslim societies of the world  
in this book a muslim scholar and human rights activist envisions a positive and sustainable role for shari a based on a profound rethinking of the relationship between religion and the secular state in all societies

what should be the place of shari a  
islamic religious law in predominantly muslim societies of the world  
in this ambitious and topical book a muslim scholar and human rights activist envisions a positive and sustainable role for shari a based on a profound rethinking of the relationship between religion and the secular state in all societies  
an na im argues that the coercive enforcement of shari a by the state betrays the qur an s insistence on voluntary acceptance of islam just as the state should be secure from the misuse of religious authority  
shari a should be

freed from the control of the state state policies or legislation must be based on civic reasons accessible to citizens of all religions showing that throughout the history of islam islam and the state have normally been separate an na im maintains that ideas of human rights and citizenship are more consistent with islamic principles than with claims of a supposedly islamic state to enforce shari a in fact he suggests the very idea of an islamic state is based on european ideas of state and law and not shari a or the islamic tradition bold pragmatic and deeply rooted in islamic history and theology islam and the secular state offers a workable future for the place of shari a in muslim societies

the proceedings of the social and humanities research symposium sores shares ideas either research results or literature review on islam media and education in the digital era some recent issues consists of innovative education in the digital era new media and journalism islamic education human wellbeing marketing and fintech in terms of islamic perspective economic welfare law and ethics it is expected that the proceedings will give new insights to the knowledge and practice of social and humanities research therefore such parties involved in social and humanities research as academics practitioners business leaders and others will acquire benefits from the contents of the proceedings

arguing for new consideration of calls for implementation of islamic law as projects of future oriented social transformation this book presents a richly textured critical overview of the day to day workings of one of the most complex experiments with the implementation of islamic law in the contemporary world that of post tsunami aceh

practitioners and academics dealing with the middle east can turn to the yearbook of islamic and middle eastern law for an instant source of information on the developments over an entire year in the region the yearbook covers islamic and non islamic legal subjects including the laws themselves of some twenty arab and other islamic countries the publication s practical features include articles on current topics country surveys reflecting important new legislation and amendments to existing legislation per country the text of a selection of documents and important court cases a notes and news section and book reviews

kalypso deed is a shotgun riding the interface between the ai ganesh and human scientists who solve problems through cyberassisted dreams but she s young and a little careless she d rather mix drinks and play jazz azamat marcsson is a colorless statistician middle aged boring and obsessed with microorganisms a first class nonentity until one of his dreams implodes taking kalypso with it now ganesh is crashing and nothing could be worse for on the planet t nane it is the ai alone that keeps the colonists alive eking out a grim existence in an environment inimical to human life to save the colony kalypso must persuade marcsson to finish the dream that is destroying ganesh but marcsson has gone mad and t nane itself has plans for them both that will alter their minds and their world forever

rivers of blood offers a glimpse into the brutal world of state terrorism in this innovative study the author explores the strategies targets and motives of terror by reviewing the conditions surrounding government massacres by introducing an innovative typology of massacres and a

classification of terror strategies the author develops a structural approach to the study of state terror thus challenging the viewpoint that state terrorism is a situational or reactionary phenomenon case studies of government massacres such as those occurring in china tiananmen iraq halabja and el salvador san salvador are included each case study includes a discussion on the historical political and social climate preceding the massacre rivers of blood is a welcome addition to the literature on state terrorism

building upon his analysis in the first volume of the series canada in crisis an agenda to unify the nation longtime federal employee robert a battram goes beyond explaining what will unify the nation to provide a working roadmap that can help ensure its continued success battram identifies problems in all areas of governance from the simple to the complex and offers a range of solutions to these problems he examines why law enforcement agencies and immigration policies are failing and also explores issues of infrastructure such as how the placement of electrical transmission grids affects different areas of canada take a deep look into how to improve all areas of government including economic policies transportation systems security of communications security of energy and power measures taken to combat extremism join the author as he examines the many changes threatening canada discover how the nation can defend itself find solutions to its problems and maintain its heritage so that it can survive and thrive in canada in crisis an agenda for survival of the nation

the essays in this volume offer global perspectives on crucial contemporary issues such as economic development the persistence of customary law offshore jurisdictions family law and succession land tenure the forging of national constitutions human rights violations and the treatment of ethnic minorities they portray the laws of asian and african countries as equal manifestations of legal culture in a shrinking world rendering asian and african legal systems and traditions in an accessible form to a non asian and non african audience this volume will sharpen the sensitivity of academics and practitioners everywhere a special classroom adoption price is available published under the transnational publishers imprint

conservative radio host and syndicated columnist dennis prager provides a bold sweeping look at the future of civilization with still the best hope and offers a strong cogent argument for why basic american values must triumph in a dangerously uncertain world humanity stands at a crossroads and the only alternatives to the american trinity of liberty natural rights and the melting pot ideal of national unity are islamic totalitarianism european democratic socialism capitalist dictatorship or global chaos if we should fail america is still the best hope as this eminently sensible profoundly inspiring volume so powerfully proves
