terrorism same sex marriage debt cancellation the aids pandemic these are just some of the critical contemporary issues addressed in this book issues facing christians today helps thinking christians sift through and respond to a sweeping array of complex and pressing topics thoroughly revised and updated by roy mccloughry and fully endorsed by john stott this fourth edition continues a two decades plus legacy of bringing important current issues under the lens of biblically informed thinking combining a keen global awareness with a gift for penetrating analysis the authors examine such vital topics as

pluralism and christian witness cohabitation environmentalism and ecological stewardship war and peace abortion and euthanasia and much more an entirely new chapter on bio engineering has been contributed by professor john wyatt of university college london including a study guide issues facing christians today is essential reading for christians who wish to engage our culture with insight passion and faith knowing that the gospel is as relevant and deeply needed today as at any time in history as the culture wars continue this book will remain a critical contribution helping to define christian social and ethical thinking in the years ahead

this completely revised edition of the hugely popular work of applied christianity is from arguably the most influential christian of the twentieth century this is a major publishing event with important new material

enl ed of involvement 1984

knowing the signs of the times and how then to live as people of faith has never been more pressing for the church though many of the signs are disturbing we ignore them at our great peril combining the very best attributes of a biblical prophet and a modern day reporter james emery white offers a look at twenty five realities facing the church in the areas of belief culture marriage and family media and technology and mission and how they affect us as individuals and as a body of believers functioning as both a telescope and a microscope this hard hitting examination of the future of the church looks into the vastness of the world and into the minute recesses of our hearts white calls on thoughtful readers to sharpen their spiritual drive and determination in order to meet the challenges of our day and the future he calls us to look beyond the daily conflicts in order to see the much larger war in which we are engaged so that we might play our vital role in preserving and growing christ s church in the coming age

finally someone is asking the questions that need to be asked no bull may be politically incorrect and may offend it addresses many topics that most preachers will not discuss for fear of losing part of their congregations or losing their jobs but if you want an honest straight talking assessment of the current state of christianity and christian churches then this is the book for you no bull reveals false teachings in the christian church it exposes several instances of churches doing things that the bible clearly says not to do several topics are addressed from marriage and family life to evolution versus creationism to the age of accountability and the rapture church leaders and all christians will benefit greatly from the frank opinions expressed in no bull new author kelly palmer takes a commonsense bible based approach to issues facing christianity today the conversational tone and personal touch make for a fun thought provoking read
