over the past forty years state provincial and local governments in the united states and canada have provided foreign automakers with approximately 4 80 billion in incentives in order to lure light vehicles assembly plants to their areas this has included tax abatements infrastructure construction land giveaways job training programs and other subsidies as of early 2015 ten foreign vehicle makers operated 20 light vehicles in developed north america despite the fact that all ten of these automakers have pursued a similar pattern first exporting vehicles into the united states and canada before launching vehicle plants in developed north america each has followed its own specific historical development path and has created its own unique growth trajectory

this book provides a unique historical and qualitative review of these ten vehicle makers from their early beginnings to their export entry into the united states and or canada through early 2015 in addition it chronicles the histories of more than a dozen former automakers and potential future foreign light motor vehicle assembly plants in the united states and canada this includes the first foreign automaker to build its cars in the united states de dion bouton of france in july 1900 the early 20th century endeavors of fiat mercedes and rolls royce and the present day hopes of chinese and indian automakers in the process the text also provides an assessment of the top competing states and sites for any future plants the possible incentives packages governments may offer to attract such facilities and an estimated incentive value for each automaker overall the goal of this book is to expand the knowledge of policymakers at all tiers of government in the united states and canada and to help them take a more holistic look at the pros and cons of attracting automobile manufacturing fdi it is hoped that this will enable them to make more informed decisions when pursuing a new foreign motor vehicle assembly plant its findings should also prove informative to urban and regional planning political science sociology economics labor and international development scholars and students in north america and worldwide

during his 25 years as a holistic practitioner and health expert on syndicated tv and radio dr david friedman has interviewed hundreds of world renowned doctors and best selling authors from proponents of a vegan paleo mediterranean diet keto to a gluten free and low carb diet the opinions are as different as night and day after becoming frustrated with all the conflicting research and opinions dr friedman wrote food sanity which explores all the fads facts and fiction using a common science meets common sense approach this groundbreaking book finally answers the question what should we be eating in this international award winning 1 best selling book food sanity shares never before heard nutritional and dieting advice that will ensure they get the maximum benefits from their food and dietary supplements unfortunately people can't solely rely on scientific studies because those can change sometimes weekly plus many of them are bought and paid for dr friedman breaks through the culinary conundrum and offers an easy to follow blueprint to getting healthy losing weight and preventing disease

from the new york times bestselling author of america's most wanted recipes comes more copycat recipes from your family's favorite restaurants with fewer calories ron douglas has wowed home cooks across the country by uncovering the best recipes from hundreds of popular restaurants including applebee's california pizza kitchen chili's olive garden p.f. chang's and t.g.i. friday's america's most wanted recipes without the guilt once again features delicious restaurant meals that can be enjoyed at home but with the help of registered dietician and nutrition expert mary m. franz ron has created more than 150 amazing reduced calorie versions take bahama breeze's jamaican jerk grilled chicken which usually contains approximately 960 calories by using boneless

skinless chicken breasts the entire family can enjoy generous flavorful half pound servings and save 590 calories or how about dave and buster s steak fajita salad a restaurant portion contains a whopping 1 408 calories per serving but ron s home cooked version has 489 and for dessert macaroni grill s reese s peanut butter cake has 635 calories per slice home cooks can easily trim that calorie count down to 435 ron will show you how each recipe includes nutritional details the number of calories you will save and easy tips on how to prepare your favorite restaurant food without feeling the guilt the book also features a section on restaurant alternatives as well as a nutritional guide detailing the overall dos and don ts when it comes to healthy eating experience the pleasure and satisfaction of cooking fun delicious food for your family while also keeping them fit watch your wallet get fat and your tummy get flat
