Mary Elizabeth Barber 1818-1899 born in Britain arrived in the Cape Colony in 1820 where she spent the rest of her life as a rolling stone as she lived in and near Grahamstown the diamond and gold fields Pietermaritzburg Malvern near Durban and on various farms in the eastern part of the Cape Colony she has been perceived as the most advanced woman of her time yet her legacy has attracted relatively little attention she was the first woman ornithologist in South Africa one of the first who propagated Darwin's theory of evolution an early archaeologist keen botanist and interested lepidopterist in her scientific writing she propagated a new gender order positioned herself as a feminist avant la lettre without relying on difference models and at the same time made use of genuinely racist argumentation this is the first publication of her edited scientific correspondence the letters transcribed by Alan Cohen who has written a number of biographical articles on Barber and her brothers are primarily addressed to the entomologist Roland Trimen the curator of the South African Museum in Cape Town today the letters are housed at the Royal Entomological Society in St Albans this book also includes a critical introduction by historian Tanja Hammel who has published a number of articles and published a monograph 2019 on Mary Elizabeth Barber

This book outlines how African language media is affected by politics technology culture and the economy and how this media is creatively

produced and appropriated by audiences across cultures and contexts african language media can be considered as a tool for communication socialization and community that defines the various identities of indigenous people in africa this book shows how vernacular media outlets including radio and television as well as native formats such as festivals rituals and dance can be used to influence all facets of local peoples experience and understanding of community the book also explores the relationship between african language media sources and contemporary issues including the digitalization conundrum peace and conflict resolution identity formation hate speech and fake news furthermore it shows how local media can be used for development communication purposes during health and environmental crises the book includes cases studies demonstrating the uses experiences and activities related to various forms of media available in african languages this book will be of interest to scholars in the field of communication and media studies health and environmental communication journalism african studies and anthropology

book which explores the journey of celebrating the link between people and nature the book reveals how plants animals and landscapes are profoundly reflected in xhosa language stories poetry religious rituals healing practices and everyday customs that define xhosa culture over the years cultural and spiritual meaning of nature in south africa has been poorly recorded and often misunderstood the current trade of medicinal plants is often destructive and unsustainable with an estimated 27 million south africans making use of indigenous medicines this is a serious detriment as natural resources have been a reliant for underprivileged people who gain food fuel medicines and building materials from wild plants therefore the addition of information on edible and medicinal plants is of extreme importance voices from the forest gives a fresh positive approach to biodiversity conservation in sa by showing that people 2019s values for natural resources can be considered positively as a way forward to continued sustainable use the book explores the role that nature plays in the cultural and spiritual landscapes of the xhosa people in the eastern cape of south africa and serves as a pointer to sustainable practices in the future the underlying aim is ultimately sustaining cultural heritage and conserving biodiversity because in our modernising world cultural diversity is threatened by the loss of natural diversity and finding ways of protecting the region s biodiversity and cultural diversity is of vital importance publisher s website
