features annotations for more than 6 200 works in the main volume 2007 and more than 2 400 new titles in three annual supplements published 2008 through 2010 new coverage of biographies art sports islam the middle east cultural diversity and other contemporary topics keeps your library s collection as current as today s headlines

each title in the highly acclaimed opposing viewpoints series explores a specific issue by placing expert opinions in a unique pro con format the viewpoints are selected from a wide range of highly respected and often hard to find publications this addition to the popular opposing viewpoints series focuses on the topic of marijuana through a balanced collection of articles from a variety of sources the title examines whether or not marijuana is harmful the possible medical benefits to using each volume in the opposing viewpoints series could serve as a model not only providing access to a wide diversity of opinions but also stimulating readers to do further research for group discussion and individual interest both shrill and moderate th

history's most notorious and brutal killers still enjoy fame as public fascination with their lives and their crimes continues to grow. Stone Cold Souls is a detailed examination of the most brutal killers in history. Moffatt does what he does best by looking at historical accounts of events, analyzing them from a psychological perspective, and presenting his assessment in a captivating fashion. He examines different types of killers, offers case studies, and historical context, and describes what sets these cases apart from other kinds of killings. Even in a day and age where pop culture has made serial crime a mainstay of movies and books, the depravity of the killers profiled in this work will still shock even a desensitized reader. Men, women, and children alike have committed crimes so atrocious that it is hard to imagine that these events are not works of fiction. Moffatt examines the difficult questions that inevitably arise when one reads cases of unthinkable torture and cruelty: why were these people simply evil, or is it possible that given other circumstances they could have redirected their energies into more productive outlets? The author answers these questions and others, and reveals the lives and crimes of these ruthless killers. Stone Cold Souls features such well-known cases as Andrei Chikatilo, Marc Dutroux, Herman Webster Mudgett, Charles Ng, Leonard Lake, Lawrence Bittaker, Roy Norris, Ed Gein, Edmund Kemper, Henry Lee Lucas, Gilles de Rais, Ivan the Terrible, Richard Ramirez, Holly Ann Harvey, Sandy Ketchum, Mary Bell, Jesse Pomeroy, Josef Mengele, Marshall Applewhite, Jeffrey Lundgren, David Koresh, Jim Jones, Father Oliver O'Grady, Charles Cullin, Harold Shipman, Michael Swango, Myra Hindley, Karla Homolka, Aileen Carol Lee Wuornos, Elizabeth Bathory, Charles Sobhraj, Albert Fish, Donald Harvey, and Dennis Rader.

A highly critical but nonpartisan assessment of the controversial former defense secretary as told by one of the leading experts on civil-military relations. Focuses on Rumsfeld's notoriously domineering leadership style, flawed vision for transforming the military, and failures in the Iraq War.

If you ally compulsion such a referred **J2ee The Complete Reference Jim Keogh Tata Mcgraw Hill 2007** books that will allow you worth, acquire the certainly best seller from us currently from several preferred authors.
