national bestseller the inspiration for the major motion picture rebel in the rye one of the most popular and mysterious figures in american literary history the author of the classic catcher in the rye j d salinger eluded fans and journalists for most of his life now he is the subject of this definitive biography which is filled with new information and revelations garnered from countless interviews letters and public records kenneth slawenski explores salinger's privileged youth long obscured by misrepresentation and rumor revealing the brilliant sarcastic vulnerable son of a disapproving father and doting mother here too are accounts of salinger's first broken heart after eugene o neill's daughter oona left him and the devastating world war ii service that haunted him forever j d salinger features this author's dramatic encounters with luminaries from ernest hemingway to elia kazan his office intrigues with famous new yorker editors and writers and the stunning triumph of the catcher in the rye which would both make him world famous and hasten his retreat into the hills of new hampshire j d salinger is this unique author's unforgettable story in full one that no lover of literature can afford to miss praise for j d salinger a life startling insightful a terrific literary biography usa today it is unlikely that any author will do a better job than mr slawenski capturing the glory of salinger's life the wall street journal slawenski fills in a great deal and connects the dots assiduously it's unlikely that any future writer will uncover much more about salinger than he has done boston sunday globe offers perhaps the best chance we have to get behind the myth and find the man newsday slawenski has greatly fleshed out and pinned down an elusive story with precision and grace

chicago sun times earnest sympathetic and perceptive slawenski does an evocative job of tracing the evolution of salinger s work and thinking the new york times

it s christmas time and holden caulfield has just been expelled from yet another school fleeing the crooks at pencey prep he pinballs around new york city seeking solace in fleeting encounters shooting the bull with strangers in dive hotels wandering alone round central park getting beaten up by pimps and cut down by erstwhile girlfriends the city is beautiful and terrible in all its neon loneliness and seedy glamour its mingled sense of possibility and emptiness holden passes through it like a ghost thinking always of his kid sister phoebe the only person who really understands him and his determination to escape the phonies and find a life of true meaning

in 1972 joyce maynard an undergraduate at yale wrote an article for the new york times magazine called an eighteen year old looks back on life among the hundreds of letters she received as a result one expressed deep affection for her writing and concern at the exploitation that she might be subjected to the writer was j d salinger author of catcher in the rye and famous recluse their correspondence led first to friendship and then to love and after a few months she dropped out of college to live with him in spite of the thirty five year difference in their ages she believed they would be together always but after a year he sent her away courageous beautifully written and affecting this book is destined to become a classic memoir of a modern woman s life

this book divided into three parts examines salinger s twenty one tales that were published in the 1940s presents joseph wenke s biographical reflections on j d salinger and offers excerpts from commentary on salinger s short fiction

i love to write and i assure you i write regularly but i write for myself for my own pleasure and i want to be left alone to do it j d salinger a lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees in charles river editors american legends series readers can get caught up to speed on the lives of america s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known j d salinger might have been one of america s greatest 20th century authors but only he knows for sure as a young adult salinger wrote a number of short stories that were published during the 1940s in story magazine and his story a perfect day for bananafish appeared in the new yorker magazine to wide praise salinger followed that up with his most famous work the 1951 novel the catcher in the rye which was popular among adults and adolescents alike regardless of whether salinger was one of the 20th century s greatest authors he was certainly one of the most unique in the aftermath of his novel s incredible success salinger became steadily more reclusive publishing less and less in the 1950s until he disappeared entirely from the public eye for the last 40 years of his life salinger was rarely heard from except for when he was filing lawsuits alleging copyright infringement to protect his work and in one of his few statements he stated there is a marvelous peace in not publishing i pay for this kind of attitude i m known as a strange aloof kind of man but all i m doing is trying to protect myself and my work by all accounts including

his own statements salinger continued to write for himself throughout the decades until his death from natural causes in 2010 as the reclusive author himself noted i like to write i live to write but i write just for myself and my own pleasure i don t necessarily intend to publish posthumously but i do like to write for myself naturally salinger s reclusive nature has added a mystique to the man and his work as people continue to pore over the catcher in the rye and its author s life even though salinger himself described holden caulfield as only a frozen moment in time in an ironic sense salinger s desire to be left alone has only made him more intriguing giving fans and interested people even more motivation to discover more about him in american legends the life of j d salinger which includes an annotated bibliography of salinger s published works you will learn about salinger like you never have before in no time at all

gale study guides to great literature is a unique reference line composed of three series literary masters literary masterpieces and literary topics convenient comprehensive and targeted toward current coursework these guides place authors titles and topics into context for high school and college students as well as general researchers each literary masters volume introduces a significant author covering basic biographical information the related literary masterpieces volume explores a major title from this author s works in detail finally the literary topics volume places the author and work within a relevant literary movement or genre

this book surveys and discusses the entire body of salinger s work and presents extensive bibliographical information

although the author finds it impossible to assess salinger s permanent worth as a novelist he finds much to admire in several of the short stories and in the catcher in the rye

presents a collection of critical essays on salinger and his works as well as a chronology of events in the author s life

notable book cbca book of the year awards 2022 shortlisted nsw premier s literary awards 2022 shortlisted yabba children s choice awards 2022 haunting dangerous and desperate but also full of courage and hope the guardian the powerful and emotional conclusion to felix s story will take you on a journey as he sets out to uncover the truth about his family and his past along the way he will confront his deepest fears and face new challenges but through it all he will discover the power of hope and resilience fifteen years after readers were first introduced to felix in once and across six celebrated books our brave young hero has survived many unforgettable and emotional journeys now comes the seventh and final part of felix s story bringing to a powerful climax a series that countless young readers around the world will remember always a poignant close to an affecting and heartrending history publishers weekly starred review a powerful conclusion to felix s story voya a clever and satisfying way of coming full circle school library journal other books in the series once then now after soon maybe always

this volume includes 500 biographies of americans from the artists and writers to the politicians and military figures the reformers and the criminals who flourished during the tumultuous 1960s rather than focusing on a subject s entire life more detail is placed on events in the life

and contributions of the biographee in addition the volume is arranged in a handy a z format and includes an occupational subject list and comprehensive index
