the ubiquity of streaming sites such as pornhub has transformed the social role of sexually explicit content today online porn is no longer a shady corner of the internet it is mainstream its production commodification and consumption on data driven online platforms has changed and is changing our personal relationships social and legal systems and sexual norms online porn platforms are shaping sexual desires and practices in the same way that google and facebook have affected social relationships and the circulation of information porn is now consumed on data driven platforms with algorithms designed to engage the attention of users encourage the production of user generated videos and filter content through frank examination of mainstream content with themes of incest intoxication and so called consensual rough sex issues that play out in life and in court elaine craig shows how the platformization of mainstream pornography is shaping our sexual culture in real time mainstreaming porn maps a complicated web of legal culture and legal actors from corporate lawyers and platform content regulation to the criminal civil and administrative contexts in which porn companies operate and the legal interpretation of sexual

assault defences all have profound implications for the promotion and protection of everyone's sexual integrity and especially that of women and girls mainstreaming porn is an unflinching carefully balanced perspective on a divisive topic without demonizing pornography or its consumption craig makes a powerful argument for applying legal mechanisms to corporate owned online platforms while offering a sober evaluation of the limits of the law in governing pervasive cultural norms and social understandings of sexuality

they say everybody uses porn they're wrong people don't use pornography it uses us and you don't have to watch it to be one of its victims in this thought provoking and timely book jo bartosch and robert jessel expose how the multi billion dollar pornography industry has humanity gripped in a chokehold from rewiring our brains and normalising sexual violence to shaping new protest movements the pornographic revolution has achieved a stunning and near total victory the triumph of the pornocrats is made more sinister by society's widespread acceptance that all men watch porn the denial of its devastating harms and a lack of political will to curb the power of the global pornography business the authors answer the questions that politicians and policymakers are too scared to ask why despite over half a century of feminist gains and lessons in schools on consent do today's school children display more sexist attitudes than their parents and grandparents do women really want to be choked and humiliated in bed how can we fight back and reclaim sex love and relationships drawing on the latest research pornocracy charts how the neurological shifts caused by porn use reverberate through society the book also warns of a dystopian future where ai powered porn and sextech threaten to reduce us all to masturbating meat puppets on an algorithmic production line provocative and powerful pornocracy tells the story of how pornography fundamentally changed perhaps forever what it is to be human

the origins of the incest taboo have puzzled many of the most influential minds of the west from plutarch to st augustine st thomas aquinas martin luther david hume lewis henry morgan sigmund freud emile durkheim edward westermarck and claude lévi strauss this book puts the discussion of incest on a new foundation it is the first attempt to thoroughly examine the rich literature from philosophical theological and legal treatises to psychological and biological genetic studies to a wide variety of popular cultural media over a long period of time the book offers a detailed examination of discursive and figurative representations of incest during five selected periods from 1600 to the present the incest discussion for each period is complemented with a presentation of dominant kinship structures and changes without arguing for causal relations part i deals with the legacy of ecclesiastical marriage prohibitions of the middle ages historians dealing with the reformation have wondered about the political and social implications of theological debates about the incest rules the enlightenment opted for sociological considerations of the household and a new anthropology based on the passions baroque discourse focused upon sexual relations among kin by marriage while enlightenment and romantic discussions worried the intimacy of siblings the first section of part ii deals with the six decades around 1900 during which european and american cultures obsessed about the sexuality of women almost everyone concurred in

the idea that mother made the family what it was that she configured the household kept the lines of kinship vibrant and stood at the threshold as stern gatekeeper and many thought that she managed these tasks through her sexuality and an eroticized relationship with sons another story line taken up in the section intermezzo this one about the physical and mental consequences of inbreeding appeared after 1850 to what extent do close kin marriages pose risks for progeny at its center lay the incest problematic now restated is avoidance of kin genetically programmed do all cultures know about risks of consanguinity as for the twenty first century evolutionary and genetic assumptions are challenged by a living world population containing roughly one billion offspring of cousin marriages part iii deals with one of the perhaps most remarkable reconfigurations of western kinship in the aftermath of world war i the shift from an endogamous to an exogamous alliance system centered on the nuclear family an historical anomaly this family form began to dissolve almost as soon as it came together and in the process shifted the focus of incest concerns to a new pairing father and daughter by the 1970s when the father daughter problematic swept all other considerations of incest aside that relationship had come to be modeled for the most part around power and its abusive potential as for incest its representations in the last three decades of the twentieth century no longer focused on biologically damaged progeny but rather on power abuses in the nuclear family sexual abuse by the mid 1990s western culture at least partly redirected its gaze away from father and daughter towards siblings especially towards brothers and sisters and the sexual boundaries and erotics of their relationships correspondingly siblings became a model organism for psychotherapy evolutionary biology and the science of genetics

selected for the christlit book award 2025 a covert indoctrination is underway in america promoting a belief system with radical shifts in values policies and preparing us for the transition into a developing new form of multinational globalization many voices are often heard asking today what is this world coming to many things are changing in radical ways at alarming rates emerging from the power control of partisan ideologies in government major shifts are being instigated in our nation s socio economic program foreign domestic policy social justice and the moral ethical codes that have traditionally guided our ways of life is it all just politics is it just a friendly game of tug a war between the left and the right or is it something deeper something far more sinister even diabolical an ancient prophecy provides insightful answers to these challenging questions it reveals an undercurrent of demonic forces operating in the supernatural realms of darkness immersing our nation and world with beliefs practices that serve a shrewdly crafted evil mission in this second volume of his trilogy rick m smith defines five basic doctrines driving these cultural shifts the doctrines of dominance deception deviation division and death he pulls back the curtains to show their presence and influence in every area of american life what progressive thinking leaders see as a bold new world of global cooperation is being sabotaged by sinister forces guiding these means to a diabolical end no nation would rationally choose

the first sex manual kama sutra was written by vatsyayana which not only talks about eroticism but also regulates the sexual behaviour of

human beings this was a breakthrough as it set standards for sexuality in the ancient indian society on the other side of the world polyandry was seen as normal in greek and persian society fast forward to 21st century now pornography is setting the standards for sexuality but how many of these standards are morally right to today s society who is usually hush hush around topics of sex is porn liberating is it empowering the answers to these questions will determine what the nature of eroticism and love is in the 21st century
