continuing on from the bestselling three crooked kings jacks and jokers opens in 1976 terry lewis exiled in western queensland is soon to be controversially appointed police commissioner as for the other two original crooked kings tony murphy is set to ruthlessly take control of the workings of the joke while glen hallahan retired from the force begins to show a keen interest in the emerging illicit drug trade meanwhile ex cop and bagman jack herbert collects the payments and efficiently takes police graft to a whole new level the joke heralds an era of hard drugs illegal gambling and prostitution and leaves in its wake a string of unsolved murders and a trail of dirty money with the highest levels of police and government turning a blind eye the careers of honest police officers and the lives of innocent civilians are threatened and often lost as corruption escalates out of control revealing more incredible facts and previously untold stories award winning journalist and novelist matthew condon once again exposes the shocking behaviour outside the law by the law jacks and jokers is the gripping second instalment of the rise and spectacular fall of one man an entire state and generations of corruption

policing child sexual abuse provides a historical overview of the evolution of policing child sexual abuse in queensland tracing a legacy of failure even corruption in the decades leading up to the foundation of task force argos a branch of the queensland police service created in part as a response to criticisms of police shortcomings in this area the book uses archival material as a foundation to trace the shifting approach to policing child sexual abuse csa from the 1960s when juvenile justice first became a central focus of policing in queensland to the 2010s at which point task force argos made international headlines for its primary role in bringing major international csa offenders like shannon mccoole benjamin warhead faulkner and richard huckle to justice examining archival material to pinpoint the reasons that csa was not dealt with effectively in the past the book shows that often these reasons were political unrelated to the policing of csa at all policing child sexual abuse stands as a testament to the victims of csa who have been failed by the system in the past in addition the book acts as a case study of how a police force with such a negative track record in policing this area was able to correct its path and reform its practices to the point that it could emerge as a world leader in policing csa though nominally focused on policing in one australian state the implications are global with task force argos s work naturally impacting on the csa investigations of all of its partner agencies both in australia and internationally demonstrating how even in contexts where police responses to csa have been met with significant criticism an opportunity still exists to reject historical failures in favour of a renewed commitment to proactive policing this book will be of great interest to scholars of policing historical criminology and child sexual abuse

he told her about his struggle in melbourne to turn himself into a british style officer for the australian army the nights in tents by the pyramids the terror of the landing under sniper fire and the scramble up the heights of gallipoli the filth and danger of the trenches at lone pine he showed her the scar above his right eye there was a lot he didn t tell her raised japanese in a european skin at the turn of the 20th century fate and circumstance would ensure that charles bavier spent his life caught between two cultures yet claimed by neither the illegitimate son of a swiss businessman charles was brought up by his father s japanese mistress before setting off on an odyssey that took him into china s republican revolution against the manchus the anzac assault on gallipoli and british counter intelligence in pre war malaya bavier s journey finally led him into a little known allied psych war against japan as part of the vicious pacific war where his unique knowledge of japanese culture and language made him man of the hour this is the story of a man regarded at times as a spy by both the allies and the japanese but who remained true to the essential humanity of both sides of a dehumanised racial conflict though far from the glory he craved bavier saved thousands of lives in the south west pacific the japanese soldiers who surrendered and the americans and australians they would have taken with them a war of words traces the extraordinary life of charles bavier and is based on his own diaries and three decades of research by journalist and author hamish mcdonald

when the vietnam war punctured the myth of american military invincibility hollywood needed a new kind of war movie the familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years how hollywood helped create and instill the american myth of heroic continuity and how films revised that myth after the vietnam war is what

armando josé prats explores in hollywood's imperial wars the book offers a new way of understanding the cultural and historical significance of vietnam in relation to hollywood's earlier representations of americans at war from the mythic heroism of a film like *sands of iwo jima* to the rupture of that myth in films such as *the deer hunter* *apocalypse now* and *platoon* as early as the mid 1940s prats suggests fears aroused by the cold war were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period in this context prats considers the immeasurable cultural importance of john wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in world war ii prats reveals how historical and cultural anxieties emerge in well known vietnam movies in which characters inspired by the heroes of the second world war are denied the heroic legacy of their fathers american war movies in prats's analysis were forever altered by the loss in vietnam even movies like *american sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old hollywood war movies as by the tragic turn of actual historical events tracing what prats calls the anxiety of legacy through the films of the world war ii and post vietnam war periods this book offers a new way of looking at both the hollywood war movie and the profound cultural shifts it reflects and refracts

wild horses couldn't drag him away from her raised beneath the big montana sky matt malloy was never meant to be a jet setting businessman but he'll do anything to protect the family ranch he shares with his brothers coming home after a two week trip to italy matt wants nothing more than to shed his suit and tie for a well worn pair of jeans and ride his horse up to the cabin for some alone time the last thing he needs is a big city lawyer invading his privacy even if she is the most beautiful woman he's ever seen vanessa kettering has devoted her life to her work as a passionate animal rights defender she doesn't have room for anything else but from the moment she meets matt she's taken with this rugged cowboy's lazy smile and tender touch when a raging storm traps them inside his cabin for the night one steamy kiss leads to another sweeping them away with a force that's as wild and untamed as the land he loves but when the morning light comes will she lose her heart

the future looked bright for matt mcleod he was an outrider for the two bar ranch hired to protect the rance from poachers then he saw riley wilcox in the denver jail and everything changed

gathers new york times reviews for the best american and foreign films that were released from 1929 to 1998

a courtroom drama set in 1966 in sydney the novel traces the path of a murder investigation which results in a prominent politician being charged with the murder of his young lover an inexperienced lawyer is surprisingly engaged to brief a down and out barrister by the accused's wife and as the facts unfold the myriad motives of the characters become enmeshed in a legal power struggle death betrayal passion and perjury combine in a complex web where legal tactics and ethical obligations collide book review cullen writes well and the action and dialogue move along at a steady and lively pace unlike some first time novelists cullen manages to keep himself out of the narrative and allows his characters to carry the load the

author excels at creating the ethical and tactical dilemmas faced by defence attorneys overall there is no doubt a jury would deliver a unanimous favourable verdict on the improbable advocate foreword clarion review
