approximately three million japanese died in a conflict that raged for years over much of the globe from hawaii to india alaska to australia causing death and suffering to untold millions in china southeast asia and the pacific islands as well as pain and

anguish to families of soldiers and civilians around the world yet how much do we know of japan s war in a sweeping panorama haruko taya and theodore cook take us from the japanese attacks on china in the 1930s to the japanese home front during the devastating raids on tokyo hiroshima and nagasaki offering the first glimpses of how this violent conflict affected the lives of ordinary japanese people oral history of a compellingly high order kirkus reviews this book seeks out the true feelings of the wartime generation and illuminates the contradictions between official views of the war and living testimony yomiuri shimbun

winner of the pulitzer prize the richest and most powerful single document of the american experience in world war ii the boston globe the good war is a testament not only to the experience of war but to the extraordinary skill of studs terkel as an interviewer and oral historian from a pipe fitter s apprentice at pearl harbor to a crew member of the flight that dropped the atomic bomb on nagasaki his subjects are open and unrelenting in their analyses of themselves and their experiences producing what people magazine has called a splendid epic history of wwii with this volume terkel expanded his scope to the global and the historical and the result is a masterpiece of oral history tremendously compelling somehow dramatic and intimate at the same time as if one has stumbled on private accounts in letters locked in attic trunks in terms of plain human interest mr terkel may well have put together the most vivid collection of world war ii sketches ever gathered between covers the new york times book review i promise you will remember your war years if you were alive then with extraordinary vividness as you go through studs terkel s book or if you are too young to remember this is the best place to get a sense of what people were feeling chicago tribune a powerful book repeatedly moving and profoundly disturbing people

a long awaited english translation of the groundbreaking oral history of women in world war ii across europe and russia from the winner of the nobel prize in literature named one of the best books of the year by the washington post the guardian npr the economist milwaukee journal sentinel kirkus reviews for more than three decades svetlana alexievich has been the memory and conscience of the twentieth century

when the swedish academy awarded her the nobel prize it cited her invention of a new kind of literary genre describing her work as a history of emotions a history of the soul in the unwomanly face of war alexievich chronicles the experiences of the soviet women who fought on the front lines on the home front and in the occupied territories these women more than a million in total were nurses and doctors pilots tank drivers machine gunners and snipers they battled alongside men and yet after the victory their efforts and sacrifices were forgotten alexievich traveled thousands of miles and visited more than a hundred towns to record these women s stories together this symphony of voices reveals a different aspect of the war the everyday details of life in combat left out of the official histories translated by the renowned richard pevear and larissa volokhonsky the unwomanly face of war is a powerful and poignant account of the central conflict of the twentieth century a kaleidoscopic portrait of the human side of war the winner of the nobel prize in literature for her polyphonic writings a monument to suffering and courage in our time a landmark timothy snyder author of on tyranny twenty lessons from the twentieth century an astonishing book harrowing and life affirming it deserves the widest possible readership paula hawkins author of the girl on the train alexievich has gained probably the world s deepest most eloquent understanding of the post soviet condition she has consistently chronicled that which has been intentionally forgotten masha gessen national book award winning author of the future is history

never before in the history of mankind have so few people had so much power over so many the people at the top of the american national security establishment the president and his principal advisors the core team at the helm of the national security council are without question the most powerful committee in the history of the world yet in many respects they are among the least understood a former senior official in the clinton administration himself david rothkopf served with and knows personally many of the nsc s key players of the past twenty five years in running the world he pulls back the curtain on this shadowy world to explore its inner workings its people their relationships their contributions and the occasions when they have gone wrong

he traces the group's evolution from the final days of the second world war to the post cold war realities of global terror exploring its triumphs its human dramas and most recently what many consider to be its breakdown at a time when we needed it most drawing on an extraordinary series of insider interviews with policy makers including condoleezza rice colin powell henry kissinger senior officials of the bush administration and over 130 others the book offers unprecedented insights into what must change if america is to maintain its unprecedented worldwide leadership in the decades ahead

this book analyzes the foreign policy decision making processes of presidents john f kennedy lyndon b johnson richard nixon george h w bush george w bush and barack obama during military intervention by way of contemporary foreign policy decision making models fpdms

common and destructive limited wars are significant international events that pose a number of challenges to the states involved beyond simple victory or defeat chief among these challenges is the risk of escalation be it in the scale scope cost or duration of the conflict in this book spencer d bakich investigates a crucial and heretofore ignored factor in determining the nature and direction of limited war information institutions traditional assessments of wartime strategy focus on the relationship between the military and civilians but bakich argues that we must take into account the information flow patterns among top policy makers and all national security organizations by examining the fate of american military and diplomatic strategy in four limited wars bakich demonstrates how not only the availability and quality of information but also the ways in which information is gathered managed analyzed and used shape a state's ability to wield power effectively in dynamic and complex international systems utilizing a range of primary and secondary source materials success and failure in limited war makes a timely case for the power of information in war with crucial implications for international relations theory and statecraft

the chronology and personal interviews present a variety of opinions of the vietnam war

this study provides analyses into the concepts of war and peace as found in the jewish christian and muslim religions it covers topics such as the traditions of the prophets theologies of war theologies of peace and unholy war

this vivid recreation of family life as experienced in nazi germany during and after the second world war tells the stories of mothers and fathers sons and daughters parents and children in their own words from desperate last letters sent to their loved ones by doomed soldiers at stalingrad to diaries kept by women trying to keep their families alive as the cities they lived in were devastated by constant bombing raids this book presents a new and often unfamiliar account of family life under the most extreme conditions far from disintegrating under the strain as many historians have argued this book shows that the german family maintained and even strengthened the emotional bonds that tied its members together entering the war shaped moulded and directed by the massive pressures brought to bear on it by nazism s attempt to recast german society in its own image the german family resisted these pressures and emerged at the end of the war in a new and stronger form surviving the manifold problems of reunion and readjustment to the postwar post nazi world with a surprising degree of resilience

covers each of the sea battles of world war ii as recorded in ship logs intelligence documents official reports and servicemen interviews

vols for 1895 include official register of the land and naval forces of the state of new york 1895

Eventually, **Japan At War An Oral History** will certainly discover a extra experience and feat by spending more cash. nevertheless when? realize you agree to that you require to acquire those all needs afterward having significantly cash?
