akira iriye assesses japan s international relations from a japanese perspective in the century and a half since she ended her self imposed isolation and resumed her place in the international community the book is the author s own adaptation of two highly successful short studies up to and after 1945 that he wrote for japan it ends with a consideration of japan s international relations since the end of the cold war and her place in the world today this is history written from within and there could be no better interpreter of japan to the west than this most distinguished of historians who himself japanese has long lived and taught in the united states

this volume compares the strengths and weaknesses of governments in japan and in the us

this book is the first to explore the similarities and differences in gender related policy making and outcomes in japan and the united states it focuses on the role of women s movements and other factors in determining policy three policies are examined equal employment domestic

violence and reproductive rights with additional attention to gender equality policy in japan and family friendly policy in both nations the analysis examines the significance of international feminism and new standards of gender equity kansetsu gaiatsu as a resource for japanese feminists seeking policy reform as well as new trends toward policy cooperation the future role of the united states long a leader in policy development for women is critically analyzed and gelb suggests that american feminists and policymakers can learn important lessons from the experience of japanese women s movements and efforts at influencing public policy

under the new world order japan s international business activity is being organised through tight networks that link banks industrial corporations and trading companies and that are displacing onto asia their main domestic problems since the us and europe are refusing to fulfil that function japan is forming a new three zone strategy in which production marketing and finance are tightly coordinated within each zone but in which there is also an overall shift away from north america and europe towards asia

this book brings together contributions from leading authors in a range of fields related to japan and the united kingdom adopting a comparative perspective it tackles topics ranging from the politics of opposition democracy immigration and citizenship to education sportsmanship and popular culture as well as issues of immigration and identity each chapter presents and clarifies the differences similarities and exchanges between the two countries to emphasise that though little exists in isolation in this global age in depth knowledge of particular regions remains vital this book argues for a deeper understanding of the uk and japan in pursuit of hope and casts a reflection on the self and one s own sense of place and identity it will be an invaluable resource for anyone interested in cross cultural theory and comparisons between japan and the united kingdom

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

a history of japan united states relations from the point of view of a pro american japanese scholar this work is designed to serve as an analysis of the current situation the third opening of japan to the west in the last century the two earlier openings failed when japan adopted the policy of sonno joi which means literally revere the emperor and expel the foreigners this book is written to try to forestall the very real possibility of a recurrence of sonno joi as a reaction to the current opening by appealing to both the japanese and the americans to understand japanese history and japanese sensibilities japan and the united states share many interests and goals but they suffer from a tremendous gap in mutual perceptions ibe makes an attempt here to explain the japanese and their view of the world to a non japanese audience he believes japan is not an inexplicable riddle nor a monolith japan inc he argues that since time immemorial forging unity among the many warring groups in japan has been difficult whether uniting the warlord clans of

the ancient period the feudalistic domains of premodern times the political factions of the modernizing period or the private corporations or government ministries of today ibe examines the difficulties the japanese have encountered in their efforts to unify and to articulate their desires which is not well understood by non japanese this book is ideal for students scholars and the informed citizen interested in japan and japanese american relations

in an era when the seas of the pacific were not just waters but borders of burgeoning empires a japanese perspective on the eastern question emerges with striking clarity this historical analysis book once lost to the sands of time is now reborn offering a profound exploration of japan s foreign policy during the transformative 19th century as east asia grappled with the tides of change this work provides invaluable insights into the complex dance of international relations and pacific geopolitics that shaped the meiji era rediscovered and republished by alpha editions after decades out of print this edition has been meticulously restored for today s and future generations it is not merely a reprint but a collector s item and a cultural treasure offering a window into the mind of manjiro inagaki whose observations continue to resonate with historians and researchers alike the narrative captures the essence of an academic study delving into the intricacies of the eastern question with a depth that appeals to both casual readers and those with a penchant for classic collections in a world where the echoes of the past inform the present this book stands as a testament to the enduring relevance of historical discourse it invites readers to journey through the corridors of time where the past and present converge in a tapestry woven with the threads of japanese diplomacy and the ever evolving landscape of east asia
