sex sin and our selves brings together readings in feminist theological thought and the literature of the acclaimed contemporary writers michele roberts and sara maitland through placing theology in conversation with roberts's and maitland's literary engagement with issues of religion and gender this book explores themes of selfhood connection sex sin and self sacrifice in doing so it challenges a tendency of feminist theology to seek simple and idealized answers rather than honor complexity and the need to continue to ask questions in the encounters in feminist theology and contemporary women's writing anna fisk employs autobiographical narrative critically understood as reading these stories beside my own

how does prayer shape action how does sustained engagement in deep prayer shape our very freedom to act this volume explores the relationship between christian contemplative prayer and the exercise of freedom over the past half century the desire for a better integration of spirituality and theology has emerged as a significant theme in theological writing while the question of freedom has not been absent from this discourse this volume highlights it by bringing it to the very center of the conversation eleven theologians explore the dialectical relationship between contemplation and freedom by engaging with a wide array of sources ranging from maximus the confessor to edith stein from howard thurman to bernard lonergan from the tibhirine martyrs to m shawn copeland this symphony of voices unveils the methodological fruitfulness of placing contemplative prayer at the center of life theory and practice

beauty engages fourth century bishop gregory of nyssa to address beauty's place in theology and the broader world with the recent resurgence of attention to beauty among theologians questions still remain about what exactly beauty is how it is perceived and whether we should celebrate its return if beauty fell out of favor because it was seen to distract from the weightier concerns of poverty and suffering because it can even be a tool of oppression why should we laud it now gregory's writings offer surprisingly rich and relevant reflections that can move contemporary conversations beyond current impasses and critiques of beauty drawing gregory into conversation with such disparate voices as novelist j m coetzee and art theorist kaja silverman beauty displays the importance of beauty to theology and theology to beauty in a discussion that bridges ancient and modern practical and theoretical secular and religious

this timely collection of essays is an invitation to listen afresh to c s lewis america s much loved theologian especially among evangelicals and roman catholics is being reclaimed as an anglican who can shape the theology of the mainline a textured integrated and nuanced lewis emerges from these essays with a focus on symbol poetry conversion friendship atonement and suffering contributors come from a diversity of backgrounds and perspectives from pakistan to england from evangelical to catholic and from theologically conservative to progressive often reduced to a popular apologist or author of children s stories this book makes the case that we are in the presence of an anglican theologian with stature it is a pioneering text which will set an agenda for lewis studies for decades to come
