project report from the year 2022 in the subject food technology grade 1 3 course school of agronomy language english abstract this paper is about the chilean company notco and its product notburger it deals with the ingredients the production of vegan meat substitutes and the nutritional values in addition the performance of a sensory triangle test is exemplified and its evaluation is discussed due to the steady growth of the world s population and increasing wealth in developing countries the demand for protein is rising however it is difficult to meet the demand for protein with animal protein alone in addition several customers attach great importance to their well being and health so they avoid eating meat for ecological ethical and social reasons on the food industry side a trend is emerging towards the production of plant based protein rich products for human consumption in the first quarter of 2020 sales of meat substitutes in germany increased by 37 compared to the first quarter of 2019 from just under 14 7 thousand tons to 20 thousand tons for consumers to opt for the plant based alternative these products must mimic the technological and sensory properties of animal products in recent years the offer from different manufacturers has increased and vegan sausages hamburgers or chicken fillets are already widespread as soy protein is increasingly rejected by consumers due to concerns about rainforest deforestation and genetically modified seeds the number of products based on pea or wheat protein is increasing consumers are also increasingly turning their attention to other ingredients which is why the trend is moving towards clean labeling here recipes are adapted so that as many and ideally all ingredients as possible can be found in the home kitchen the aim is to counteract the reputation that substitute products are purely

chemical and unhealthy foods however substitutes must have the same properties in texture taste and color as the original ingredients as this is often based on complex interrelationships the substitution of methyl cellulose for flaxseed meal in a vegan hamburger will be considered individually in the course of this work for this purpose a sensory tasting including the recruitment of panelists and the presentation of samples will be developed

reading this book is like having jeff bezos advise me eric martinez founder and ceo of modjoul the former amazon executive who launched and scaled amazon marketplace delivers the ultimate playbook on how to think like amazon and succeed in the digital age what would jeff do since leaving amazon to advise start ups and corporations john rossman has been asked this question countless times by executives who want to know the secret behind amazon s historic success in this step by step guide he provides 50 1 2 answers drawn from his experience as an amazon executive and shows today s business leaders how to think like amazon strategize like bezos and beat the competition like nobody s business learn how to move forward to get back to day 1 and change the status quo use the working backwards innovation and problem solving approach to lead the way become a platform company with the right platform strategy create customer obsession and grant your customers superpowers experiment fail rinse and repeat decentralize your way to digital greatness master the magic of small autonomous teams avoid the trap of past positions make better and faster decisions use metrics to create a culture of accountability and innovation use ai and the internet of things to reinvent customer experiences in addition to these targeted strategies you ll receive a rare inside glimpse into how jeff bezos and amazon take a remarkably consistent approach to innovate explore new markets and spark new growth you ll understand the unique mindset and inner workings that drive amazon s operational excellence from its ground up approach to new digital markets to its out of the box attitudes on innovation along the way you ll learn specific game changing strategies that made amazon stand out in a crowded digital world these include actionable ideas that you can use to transform your culture expand your business into digital and become the kind of platform company that customers obsess over rossman also offers invaluable insights into the latest technologies e commerce marketing online culture and iot disruptions that only an amazon insider would know if you want to compete and win in the digital era you have to think like amazon

a nadie sorprende la pregunta que plantea el título de este libro y es que google ha sido la empresa con el mayor crecimiento en el menor período de tiempo de la historia es una marca cuya dimensión ha alcanzado cotas inusitadas y cuya gestión se ha convertido en ejemplar en todos los ámbitos con la voluntad de saber qué se esconde tras ese éxito y más importante aún qué podemos aprender de él jarvis nos descubre 40 sencillas reglas que toda empresa debe seguir asimismo nos enseña la realidad de la era digital una era de cambios y retos constantes pero que nos ofrece grandes oportunidades y para ello nos pone ilustrativos ejemplos tales como un coche diseñado por sus conductores o una universidad en la que los estudiantes determinan su plan de estudios un libro sorprendente e imprescindible

an exit strategy if implemented early is the surprising secret to ultimate startup success find out why and how to develop one in this comprehensive practical guide from veteran silicon valley dealmaker touraj parang in 2008 touraj parang s award winning startup jaxtr had 10

million users raised nearly 20 million from top tier silicon valley investors and seemed poised to sail straight through the great recession but by january of 2009 jaxtr s only hope for survival was to find a buyer sadly it was too late for that in exit path touraj draws on the lessons learned from that chaotic experience and the extraordinary successes that followed once he and the entrepreneurs he advises made creating and executing an exit strategy a top priority for too long entrepreneurs have been failing to establish the requisite relationships and properly prepare for the most important milestone in their life cycle a sale to an acquirer but in today s hyper competitive and interconnected business world that is no longer an option in this first of its kind comprehensive guide you ll discover the surprising reasons few startups succeed while many fail and you ll learn that implementing an exit strategy early will empower you to take charge of your startup s ultimate fate maximizing its potential for success while mitigating the risks of failure arranged in four sequential parts exit path walks you through actionable steps to devise and execute an effective exit strategy starting with a fresh new perspective on the critical importance of creating a viable sale option for your startup you ll learn why creating your exit strategy is necessary well before you re contemplating an exit regardless of the stage of your startup you ll also discover how to create your own exit plan how to make your plan a reality through personal and business relationships and how to approach and negotiate with acquirers for an outcome best aligned with your values and ambitions should the need arise whether you are an entrepreneur investor or advisor the expert advice and insights in exit path will inspire you to take charge of your startup s destiny and unlock its strategic potential and options over time
