judicial review the power of the united states supreme court to nullify unconstitutional laws has been attacked and celebrated the court s authority has become even more significant over the past century as it has grown to occupy a more central role in the lives of americans the result has been for politicians of both major political parties as well as scholars to decry the antidemocratic nature of the judicial power this book argues that judicial review ensures the survival of the republic outlining the court s responsibilities as an instrument of rights theory and its history of defending the principles established during the american founding that assert the primacy of certain inherent rights centering on the power of judicial review chapters detail the court s reputation as a steward of the constitution protecting the rights of the people against the encroachments of the executive and legislative branches and against the fleeting passions of the people

why does western pandemic policy have support across the political spectrum when its social impacts conflict with ideology on both right and left during the pandemic the left has agreed that following the science with hard lockdowns is the best way to preserve life only irresponsible right wing populists oppose them but social science shows that while the rich have got richer those suffering most under lockdown are the already disadvantaged the poor the young and most overlooked of all the global south the un is predicting tens of millions of deaths from hunger and warning that decades of development are being reversed equally why have conservatives backed lockdowns and other major interventions creating the big state that they usually abhor these contradictions within the great consensus of western pandemic response are part of a broader crisis in western thought toby green peels back the policy paradoxes to reveal irreconcilable beliefs in our societies these deep divisions are now bursting into the open with devastating consequences for the global poor
