in answering god s call to discipleship each person must willfully surrender his or her powerful and natural desire to live according to self seeking worldly rules and norms instead comes the commitment to strive to live ever closer to him in love trust and obedience this decision is radical and thus difficult but the rewards of striving to become a christ centered spiritual being rather than a worldly one are profound and miraculous the path to living according to god s will rather than our own is clearly directed by scripture and is unequivocally defined by the life teachings sacrificial death and resurrection of christ every step is guided by the holy spirit this book of daily readings is designed to help take you day by day into seeking life in his very presence in it you will find insights and advice on the struggles that are part of the spiritual growth each individual must have to be transformed into his image which he intended at the very moment of your creation it is part of john s ministry of teaching speaking and writing about the power and glory of actually answering christ s universal call to his discipleship visit johnwhenderson.com

do revelation and reason contradict throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive but both are essential to a true understanding of the faith the inaugural theology connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason in Christian theology Christopher C. Green and David I. Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship the essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology each essayist approaches revelation and reason according to the psalmist's words in your light we see light ps 36:9 the light of faith does not obscure truth rather it enables us to see truth

if you ask someone to do a job you must first tell them what the job is and give a job description otherwise they might get partway into the job and decide this wasn't what they had in mind and quit the last thing Jesus did before going back to heaven was to give every believer a job to do make disciples this book details what it means to be a disciple and gives a thorough job description so that we will know what to expect in fulfilling our duties Matthew 5:12 says and seeing the multitudes he went up into a mountain and when he was set his disciples came unto him and he opened his mouth and taught them the kingdom of God operates in a specific way and cannot be altered to fit our way of doing things Jesus wanted anyone who accepted his call to know how to do it right so he had to teach them

the world is changing at a rapid pace and most people are busy just trying to keep up some are moving in the right direction some in the wrong direction and many are just running without much thought about where they are going who will you follow today what are you living for what are you willing to die for the book of revelation brings these questions to the forefront and presents us with clear concise answers about the world situation our life and eternity most importantly though revelation introduces us to Jesus the Lamb of God as you meet Jesus you will be astounded by his beauty power and glory but you will also be faced with a choice will you be one who follows the Lamb wherever he goes in this book Pastor Andy Rapko presents clear biblical teaching balanced with practical insights follow the Lamb wherever he goes will challenge you to live life to the fullest through a life transforming relationship with Jesus the Lamb of God

discipleship has to do with what a believer is before what he does to reverse the order will be to court disaster to ignore either will be to destroy true christianity both the character and behaviour of the christian are important our emphasis in this book is upon the christian character since from it arises the christian's behaviour the christian life is hidden with christ col 3:3 union with christ leads to everlasting life spiritual strength and ultimate safety what the world sees of the christian is only the tip of the iceberg the bulk of his true self being hidden from physical sight many are the internal struggles of the christian known only to himself and god despite these the true disciple

of christ can sing often you are my hiding place you shall preserve me from trouble you shall surround me with songs of deliverance
psalm 32 7

what first led me to write a book on discipleship is the compelling force to pass on something to this generation things the lord has taught and exposed me to over the years things that are not of doctrine but of life the second is that people from various churches go through discipleship and mission training in capro offices in different cities and we do not have materials to give them that are concise and written in the context of our environment the third reason is closely related to the second we teach these things especially the course call to discipleship as churches invite us to run training on discipleship and missions and we have no materials to leave behind for them to read this demand provoked me to work on this book the fourth reason stems from a commission we received from a christian leader to publish the truth and scatter it everywhere as certain men are spreading a message that is not really the gospel one effective way to contend for the faith which was once delivered to the saints is to keep publishing the truth what we speak may be forgotten soon after we had left a meeting but what is published will last several generations i have faith that several years after i might have gone if the lord tarries someone will find this little book may be covered with dust and republish it to contend the violence that will be unleashed against the church except the lord does something speedily the coming years will be one of the worst for the church i am praying within me that this book will be part of god s reserved army to resist the force of evil in days ahead it is my prayer that through this book this purpose will be accomplished as well as meet the need of our lord today in raising instruments of war out of his many children who have seen it fit to walk this path it is for these reasons that this book is written may god bless it and turn it into a live coal in his hand and burn it into the hearts of our readers amen
