what whisky made in japan seriously this is the kind of remark one could often hear in the past when people specially in the west were offered an alternative to scottish whisky but here is the good news times have changed and for the better as a matter of fact you may now happen to hear more often something along these lines what you ran out of my favourite yamazaki seriously some people first learned that japan was making whisky with lost in translation a sofia coppola movie from 2003 some other do not realise that japan not only has its own single malt and blended whiskies but it is the world s third largest producer of whisky behind the scots and the americans effectively surpassing the irish but what makes japanese whisky so special that it is now one of the most expensive spirits worldwide what are the differences with a scottish or american whisky how come that the whisky bible the most known magazine in the whisky world elected a japanese the yamazaki sherry cask 2013 as its 2015 world whisky of the year we ll see all of this and more in this book answering these questions will lead us through a fascinating journey into the drinking culture of japan from its origins all the way to the creation of one of the most refined spirits ever

produced by mankind whether you re a whisky aficionado or not even a drinker whether you re a nippon fan or simply curious about the story behind some of the most expensive drinks in the world you ll enjoy reading this book kampai

jim murray s whisky bible is the world s largest selling annual guide to whiskey each year over one thousand new whiskies from around the world are personally tasted and evaluated by jim murray each year jim murray s whisky bible gains international publicity via its announcement of the world whisky of year and its liquid gold awards because of this the whisky bible has become the most influential and relevant book on the subject worldwide
