artwork by joe brainard edited by ron padgett

examines the multiple angles of the avant garde poetry and art of joe
brainard joe brainard's work occupies the literal margins of new york
school poetry while also figuratively influencing its aesthetic
margins shaping the school from both within and without brainard was
not only an important illustrator and friend to many new york school
poets he was also a respected collage artist miniature artist
cartoonist avid letter writer and serious poet as the canon of avant
garde american poetry warmly embraces his poetry alongside his art the

field of literary criticism is freshly responding with enthusiasm to brainard s literary contribution with sophisticated scholarship and first hand accounts which attend to both his textual and visual nuances this collection offers the first place for the importance of brainard s poetry collaborations and art to be recognised for their contribution and influence all in one place key featuresfeatures series of established and new voices in contemporary american poetryselected essays all focus on writing but transgress disciplinary lines to also incorporate consideration of brainard s visual practice at the same timesuggests brainard s work informingly lined bound and shaped the poetics of american avant gardeshifts critical attention to brainard s writing while also attending to his well known comics and collages offers further analysis of brainard s art and work as uniquely queer in aesthetic practice

in this book david bergman argues that post war poetry underwent a significant shift from a visual to oral emphasis

the work of frank o hara 1926 66 is central to any consideration of twentieth century american poetry frank o hara now the first collection of essays to be dedicated to o hara in nearly two decades asks why o hara remains so important to twenty first century readers and writers of poetry for many o hara s distinctive appeal depends on his witty depictions of urban experience his relationship to the painters of abstract expressionism and the exhilarating immediacy of his poetic voice yet these approachable qualities coexist with a demanding engagement with currents in european and american modernism the book includes coverage of o hara moods that have rarely been discussed in the criticism to date including boredom hatred and nihilism throughout there is a powerful sense that fresh readings of o hara are crucial to understanding his continuing influence making it essential reading for scholars and students of american poetry

camp is often associated with glamour surfaces and an ostentatious display of chic but as these authors argue there is an underside to it that has often gone unnoticed camp s simultaneous investment in dirt vulgarity the discarded and rejected the abject this book explores how camp challenges and at the same time celebrates what is arguably the single most important and foundational cultural division that between the dirty and the clean in refocusing camp as a phenomenon of the dark underside as much as of the glamorous surface the collection hopes to offer an important contribution to our understanding of the cultural politics and aesthetics of camp
