in the john deere century acclaimed author and photographer randy leffingwell uses his unique brand of storytelling to chronicle the company and the tractors that have carried the distinctive green and yellow livery for the past century iconic john deere tractors ranging from the spartan waterloo boy to the model aos and from german and argentine models to the acclaimed new generation tractors are featured in this celebration of industrial tractor design loaded with photographs both modern and vintage and excellently written info this book will have john deere fans salivating

the complete illustrated history from tractors and machinery to deere s role in farm life 1837 to today

well known tractor authority ralph w sanders tells the story of john deere tractors and of the company s founder and other key personnel involved in their development includes full color images including some very rare models

with containing references to all the decisions of the supreme court construing or illustrating the sections of the codes and to adjudications of the courts of other states having like code provisions t p

this volume contains a course of twelve lessons on blacksmithing horseshoeing and wagon making originally designed for schools and technical colleges with helpful tables simple diagrams and a wealth of handy tips this volume will be of considerable utility to modern readers looking for an introduction to metalworking and farriery contents include the fire iron steel annealing welding cast iron hardening brazing forging making rings and links welding the different kinds of welds fagot welding lap weld butt weld jump weld t weld split weld angle weld circles chisels cross pene hammer etc many vintage books such as this are becoming increasingly scarce and expensive we are republishing this volume now in a modern high quality edition complete with a specially commissioned new introduction on maintaining and caring for horses

an updated edition of the essential wwii reference that tell s the stories of the unsung few who inexplicably fell under the radar of war historians the sunday express since it was first published in 1989 men of the battle of britain has become a standard reference book for

academics and researchers interested in the battle of britain as well as readers with an interest in the events of 1940 the book records the service details of the airmen who took part in the battle of britain in considerable depth where known postings and their dates are included as well as promotions decorations and successes claimed flying against the enemy there is also much personal detail often including dates and places of birth civilian occupations dates of death and place of burial or for those with no known grave place of commemoration in addition there are many wartime head and shoulders photographs no matter how brief their service or notable their military careers all are equally acknowledged this third edition includes new names and corrected spellings as well as many new photographs and many of the entries have been extended or corrected with freshly acquired information

includes the decisions of the supreme courts of massachusetts ohio indiana and illinois and court of appeals of new york may july 1891 mar apr 1936 appellate court of indiana dec 1926 feb 1927 mar apr 1936 courts of appeals of ohio

spitfire mk is and iis served only briefly in the frontline with the raf but their pilots were responsible for achieving impressive scores against the luftwaffe during 1940 41 this volume details the raf s first aces of world war 2 who helped stem the german tide during britain s struggle for survival in the bitter years between 1939 and 1941 early mark spitfires were notorious for their light armament overheating engines and short range but during the dogfights over dunkirk and south east england then the first tentative sweeps across france many pilots achieved scores of note

popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle

before the robber barons there were civil war barons a remarkable yet largely unknown group of men whose contributions won the war and shaped america s future the civil war woke a sleeping giant in america creating unprecedented industrial growth that not only supported the struggle but reshaped the nation energized by the country s dormant potential and wealth of natural resources individuals of vision organizational talent and capital took advantage of the opportunity that war provided their innovations sustained

union troops affected military strategy and tactics and made the killing fields even deadlier their ranks included men such as john deere whose plows helped feed large armies gail borden whose condensed milk nourished the union army the studebaker brothers whose wagons moved war supplies from home front to war front robert parrott whose rifled cannon was deployed on countless battlefields and many others individually these men came to dominate industry and amass great wealth and power collectively they helped save the union and refashion the economic fabric of a nation utilizing extensive research in manuscript collections company records and contemporary newspapers historian jeffrey d wert casts a revealing light on the individuals most responsible for bringing the united states into the modern age

published to coincide with the 80th birthday of the spitfire this is a gripping and visually spectacular volume which celebrates the life of britain s most iconic military aircraft the spitfire turns 80 on 5 march 2016 and the passion for the raf s best loved fighter is running at an all time high there are more than 50 spitfires flying in the world today and john dibbs has shot virtually all of them on the wing in his breathtaking style this eye catching book combines a unique collection of stunning photos with poignant first hand accounts of flying the aeroplane in combat from some of the most famous aces to ever pilot the spitfire and from some of the pilots forgotten by history illustrated with photographs from the world s most experienced photographer of spitfires in the air this is a highly collectable book for anyone with a love for the flying legend

a gripping account of the royal air force s daring exploits during the heroic evacuation of allied troops from france in world war ii where is the raf was the oft quoted question asked by soldiers waiting on the beach at dunkirk to where they had retreated following the german blitzkrieg through northern france and where they were now being pounded by the luftwaffe the air forces were there as norman franks proves detailing the outstanding achievements of the allied pilots who fought using outmoded tactics against enemy pilots who had earlier had easy victories over the polish dutch and belgian air forces the raf s achievement reminds us just how close britain came to disaster in june 1940 an absorbing read which vindicates the raf raf historical journal leveraging mission logs and splicing firsthand written accounts the narrative is both cohesive and seamless the details are incredibly rich yet not burdensome air space power journal with the recent release of the blockbuster film on the same subject franks recounting of the air battle for dunkirk is timely for those who left the movie theater wanting more air battle for dunkirk is

recommended for those who loved the film and wanted more context this book is especially recommended for those who are interested in aviation history nicole granados picture this post

the 1923 model d represented a watershed for deere company insomuch as it was the implement maker s first foray into tractor production after purchasing the waterloo gasoline traction engine company ideal for those seeking authentic restorations this marvelous color guide examines all of deere s post merger letter series tractors through the 1954 model r each chapter features exhaustive data color photography depicting handsomely restored tractors in evocative settings and up close detail shots covers industrial tractors and crawlers as well as agricultural models

after the fall of france in may 1940 the british expeditionary force was miraculously evacuated from dunkirk britain now stood alone to face hitler s inevitable invasion attempt for the german army to be landed across the channel hitler needed mastery of the skies the raf would have to be broken so every day throughout the summer german bombers pounded the raf air bases in the southern counties greatly outnumbered by the luftwaffe the pilots of raf fighter command scrambled as many as five times a day and civilians watched skies criss crossed with the contrails from the constant dogfights between spitfires and me 109s britain s very freedom depended on the outcome of that summer s battle britain s air defences were badly battered and nearly broken but against all odds the few as they came to be known bought britain s freedom many with their lives these are the personal accounts of the pilots who fought and survived that battle we will not see their like again
