this is a revision and an updating of the first edition published in 2000 presidents from washington to obama not included are william henry harrison and james a garfield because of very short terms are rated in five categories foreign relations domestic programs administration and intergovernmental relations leadership and decision making and presidential comportment each president is evaluated on his effectiveness in each area and a final analysis is provided for the scores combined the presidents are then ranked overall the most overrated and underrated chief executives are identified each entry includes biographical and political information as well as an analysis of their overall behavior and

status

from a new york times bestselling author a captivating and unique overview of the first 44 presidents of the united states from george washington to barack obama using his entertaining question and answer style to chart the history of the presidency itself as well as debunk the myths of america s here s the young lincoln building his mother s coffin and dragging a tragic burden through the snow to the burial theodore roosevelt america s youngest president shockingly pushed into the presidency with greatness thrust upon him fdr the only man elected four times concealing his crippling disability from the american public as he led the nation through depression and world war and lyndon johnson reelected in a landslide then crushed by the weight of the vietnam war for history buffs and history phobes alike this book is packed with memorable facts that will change your understanding of the highest office in the land and the men who have occupied it

as of 2012 only 43 men have held the office of the president of the united states some have been sanctified and some reviled this historical work addresses the careers of the first ten presidents men who made vital contributions not only to the office of the presidency but to the course of the fledgling nation from washington through tyler every term is recounted in detail and each presidential profile provides as many as a hundred quotations with full source notes by the president his friends family historians and others each profile ends with an extensive bibliography of books about the president his principles and policies and also provides suggestion for further reading rigorously nonpartisan in approach this detail rich text describes the early years of what may well be one of the most demanding jobs in the world

a full understanding of the institution of the american presidency requires us to examine how it developed from the founding to the present this developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding beyond the current newspaper headlines the development of the american presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change all the while ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept a wealth of photos figures and tables allow for the visual presentations of concepts a companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines and practice quizzes to help students master the book s lessons the

second edition a new chapter on unilateral powers that brings greater attention to domestic policymaking

in fourteen essays supplemented by relevant sections of and amendments to the constitution and five federalist essays by hamilton provides the reader with the essential historical and political analyses of who and what shaped the presidency

the modern american presidency is a lively interpretive synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as america rose to prominence on the world stage gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos

the american president is an enthralling account of american presidential actions from the assassination of william mckinley in 1901 to bill clinton s last night in office in january 2001 william leuchtenburg one of the great presidential historians of the century portrays each of the presidents in a chronicle sparkling with anecdote and wit leuchtenburg offers a nuanced assessment of their conduct in office preoccupations and temperament his book presents countless moments of high drama fdr hurling defiance at the economic royalists who exploited the poor ratcheting tension for jfk as soviet vessels approach an american naval blockade a grievously wounded reagan joking with nurses while fighting for his life this book charts the enormous growth of presidential power from its lowly state in the late nineteenth century to the imperial presidency of the twentieth that striking change was manifested both at home in periods of progressive reform and abroad notably in two world wars vietnam and the war on terror leuchtenburg sheds light on presidents battling with contradictory forces caught between maintaining their reputation and executing their goals many practiced deceits that shape their image today but he also reveals how the country s leaders pulled off magnificent achievements worthy of the nation s pride now with a preface new to the paperback edition the american president provides a timely reflection on the office that has shaped and continues to shape the destiny of the united states and its people

a remarkably revealing history this well researched opinionated account does a fine job of filling a surprisingly empty historical niche publishers weekly citizen in chief the second lives of the american presidents is a smartly researched surprising often witty and always revealing look at former presidents from george washington to george w bush authors leonard benardo and jennifer weiss offer readers entertaining true stories of the radical turns provocative rehabilitations and tragic trajectories of presidential lives after the white house washington post columnist richard cohen calls citizen in chief an engrossing book benardo and weiss tell a fascinating tale and he properly states that where our nation s leaders went after leading is often more interesting than the presidency itself

an enlightening and thought provoking presidential biography and original historical analysis this fascinating book profiles the entire history of the presidency the personalities who occupied the oval office and the strategies that have led to their successes or their failures

a ready reference guide to the presidents of the united states from george washington through bill clinton

introduces us to the famous the infamous the unknown and the occasionally unfortunate men who have led a country from its early years as a colony fighting for independence through to it becoming the most powerful nation in the world

from a new york times bestselling author a captivating and unique overview of the first 44 presidents of the united states from george washington to barack obama using his entertaining question and answer style to chart the history of the presidency itself as well as debunk the myths of america s here s the young lincoln building his mother s coffin and dragging a tragic burden through the snow to the burial theodore roosevelt america s youngest president shockingly pushed into the presidency with greatness thrust upon him fdr the only man elected four times concealing his crippling disability from the american public as he led the nation through depression and world war and lyndon johnson reelected in a landslide then crushed by the weight of the vietnam war for history buffs and history phobes alike this book is packed with memorable facts that will change your understanding of the highest office in the land and the men who have occupied it

traces the lives and actions of 43 u s presidents who have tried to defend the nation and its interests in a complex and dangerous world

the moral rhetoric of american presidents analyzes the president s role as the nation s moral spokesman drawing on the quantitative methods from political science and the qualitative case study approach prevalent in rhetorical studies colleen j shogan demonstrates that moral and religious rhetoric is not simply a reflection of individual character or an expression of american civil religion but a strategic tool presidents can use to enhance their constitutional authority book jacket

a detailed look into the presidency and a short biography of each former president of the united states of america

most historians of the american presidency walking in lockstep with today s hard left academic establishment favor presidents who were big government statists and globalists they dislike presidents who lowered taxes protected american workers and avoided getting the united states entangled in foreign conflicts that had nothing to do with protecting the american people it is through that prism that they see all of american history it s time for a change nowadays with socialism massively discredited and internationalism facing more opposition than it has

since before world war ii it s time to reevaluate what the leftist historians have told us donald trump was elected president pledging to put america first as any nation s leader should put his or her own people first there needs to be an america first reevaluation of him and his predecessors this book therefore rates the presidents not on the basis of criteria developed by socialist internationalist historians but on their fidelity to the united states constitution and to the powers and limits to those powers of the president as delineated by the founding fathers america s presidents are rated on the extent to which they put america first not in the sense of a narrow isolationism but whether they really advanced the interests of the american people this upends the conventional wisdom about a great deal of american history and present day reality and is intended to do so this book offers what should be the only criteria for rating the occupants of the white house were they good for america

encyclopedia of the american presidency andrew jackson through theodore roosevelt

the 42 essays are arranged chronologically by administration an alphabetical list at the beginning of each volume helps readers find a particular entry essays range from 6 to 40 pages and each includes a sidebar on the vice president and one on the first
