how picturebooks work is an innovative and engaging look at the interplay between text and image in a host of children s fiction drawing from an international range of major children s books maria nikolajeva and carole scott discuss such favorites as curious george and frog and toad are friends along with the works of maurice sendak and tove jansson to name a few picturebooks appeal to all readers young and old they provide common ground between generations and perhaps more than any other literary or artistic medium shape the representation and socialization of children with 116 illustrations how picturebooks work offers the reader a new methodology groundbreaking theories terminology and working tools for understanding the dynamic picturebook form jacket

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

when children read fiction they are exposed to the beliefs which inform and structure their society the books encourage child readers to internalise particular ways of seeing the world and help shape their development as individuals although this process forms a key part of their education it remains largely invisible as well as a story fictions impart a significance to readers often without revealing its presence or ground and therefore have considerable potential to socialize their audience john stephens analyses this process and shows how fictions can work to constrain or liberate audience responses he explores picture books as well as historical realistic and fantastic fictions to show how both a character within the narrative and the implied reader are positioned within ideology the author considers areas of ideology not previously examined and offers new perspectives on realism and fantasy the book will be of interest to linguists and teachers as well as to the general reader
