the swing voter occupies a cherished place in american political lore candidates court swing voters consultants target them and pundits speculate constantly on which way they will lean but nobody has adequately defined them as a group what exactly is a swing voter no one really seems to know the swing voter in american politics fills this conceptual gap the book brings political scientists and pollsters together to answer four basic questions what is a swing voter how can analysts use survey data to identify swing voters how do swing voters differ if at all from the rest of the electorate and what role do swing voters play in determining the outcomes of contemporary elections drawing on a wide range of sources including american national election studies data gallup polls pew center surveys and the national annenberg election survey the contributors track swing voters across six decades and in national and local elections the result is an unprecedented picture of this key political group just in time for the 2008 campaigns contributors include james e campbell university of buffalo april clark pew research center for the people the press adam clymer annenberg public policy center university of pennsylvania michael dimock pew research center for the people the press juliana menasce horowitz pew research center for the people the press jeffrey m jones gallup organization daron r shaw university of texas austin jeffrey m stonecash syracuse university ken winnegg annenberg public policy center university of pennsylvania

can an election be stolen you bet it can the intrepid reporter eric eggers has uncovered just how easy it is to cast a fraudulent ballot canceling out your vote and in some cases deciding elections we know despite official denials that voter fraud is happening in fact eggers shows it s rampant and it s all over the country worse many famous civil rights organizations encourage voter fraud and frustrate its prosecution every proposed voting security measure and every attempt to enforce existing laws is treated as an attack on the right to vote but of course the real threat to civil rights free and fair elections and the rule of law is voter fraud and in case after shocking case eggers shows how voter fraud is subverting american democracy in his frightening and thought provoking book eggers highlights how so called progressive organizations promote and explain away voter fraud why voter fraud is a growing threat and tied to illegal immigration how swing states in national elections could be swung by voter fraud

the texas experiment politics power and social transformation provides an all encompassing view of texas government authors william v flores christina hughes anita chadha and gene preuss bring together the historical and the contemporary the political and the personal to walk students through the state s past present and future through the book s rich historical narrative that tells the unvarnished story of how texas came to be depictions of the processes and structure of texas government and finally insights on shifting demographics we learn that the soul of texas is multicultural diverse and thriving the second edition has been updated through the state s 2023 legislative cycle and what it means for those living in texas

what are the voting behaviors of the various minority groups in the united states and how will they shape the elections of tomorrow this book explores the history of minority voting blocs and their influence on future american elections according to current scholarship the caucasian population of the

united states is expected to be a minority by 2042 as the white majority disappears and politics shift with the changing tide it is important to understand the voting behaviors of the significant minority voting blocs in the united states in this book a variety of voting blocs are examined african americans women native americans latinos mexicans cubans puerto ricans south asians indians pakistanis bangladeshis east asians chinese japanese koreans filipinos pacific islanders arab americans muslim americans jewish americans and the lgbt community in addition to factual and historical information about the minority voting blocs chapters also explore how section 5 of the voting rights act of 1965 felon disenfranchisement laws and voter id laws impact a minority group s voting rights finally the authors and contributors anticipate which issues are likely to influence each group s voters and affect future elections
