your strengths marcus buckingham offers a dramatically new way to understand the art of success with over 1.6 million copies of *First Break All the Rules* co-authored with Curt Coffman and now *Discover Your Strengths* co-authored with Donald O. Clifton in print. Cambridge-educated buckingham is considered one of the most respected business authorities on the subject of management and leadership in the world. With *The One Thing You Need to Know*, he gives readers an invaluable course in outstanding achievement, a guide to capturing the essence of the three most fundamental areas of professional activity: great managing, leading, and career success. buckingham draws on a wealth of applicable examples to reveal that a controlling insight lies at the heart of the three. Lose sight of this one thing, and even the best efforts will be diminished or compromised. Readers will be eager to discover the surprisingly different answers to each of these rich and complex subjects. Each could be explained endlessly to detail their many facets, but buckingham's great gift is his ability to cut through the mass of often conflicting agendas and zero in on what matters most without ever oversimplifying. As he observes, success comes to those who remain mindful of the core insight, understand all of its ramifications, and orient their decisions around it. buckingham backs his arguments with authoritative research from a wide variety of sources, including his own research data and in-depth interviews with individuals at every level of an organization, from CEOs to hotel maids and stockboys. In every way, a groundbreaking book, *The One Thing You Need to Know* offers crucial performance and career lessons for business people at all career stages.

The one thing every executive team must decide is what is your one thing. Four typical responses based on our experience: we know that the decide one thing concept will get four different responses. Some organizations will categorically reject the idea that they need to become great at one thing. Some will think it is cool but get distracted by the next cool idea or fad that comes along. Some will embrace the concept for a time but give up because implementing it is too hard. A few executive teams will fully commit to the decide one thing, align everything, win. Model these organizations will generate incredible results: 30, 60, or 100 times their investment. So which of the four responses will you have?

Written over the course of a year, punctuated by escalating terrorism and global turmoil, this compilation of fifty-one *Divrei Torah* asks the reader to confront challenging questions: What do I truly believe? How should I best fashion my conduct? Why does our world seem so random and unfair? What does Torah/Judaism ask of me? How can I find meaning in my life? The one thing I am asking David says in the book of Tehillim is to be close to God. This single thought, central to the very existence of a Torah Jew, permeates every chapter of Tehillim. With these *Divrei Torah*, one for each week of the Jewish calendar, the author unpacks the wisdom of Tehillim, seamlessly integrating this wisdom with the weekly Torah portion. This is the author's second book of *Divrei Torah*. In his first book, *Back to the Beginning*, he probed the lessons that can be derived from the Holy Torah. In this second book, the author digs even deeper, tackling head-on the most

frustrating and troubling elements of the world as we experience it frankly articulating the questions we ask ourselves as we navigate a world that often seems random and distressingly unfair using the light of our holy torah to guide us and illuminate the dark places in which we sometimes find ourselves
