founder of the largest indigenous christian church in american history joseph smith published the 584 page book of mormon when he was twenty three and went on to organize a church found cities and attract thousands of followers before his violent death at age thirty eight richard bushman an esteemed cultural historian and a practicing mormon moves beyond the popular stereotype of smith as a colorful fraud to explore his personality his relationships with others and how he received revelations an arresting narrative of the birth of the mormon church joseph smith rough stone rolling also brilliantly evaluates the prophet s bold contributions to christian theology and his cultural place in the modern world

religion for thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak if religion is the opium of the masses then beliefs about the end of the world are like overdoses people touched by such beliefs no longer rely on a hidden personal and intimate god contemplated

upon from the safe distance of the beating human heart they live with the promise of divine intervention at a grand scale on the current coordinates of space and time this can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level in the name of an immediate and palpable deity people can commit shocking cruelties however such belief can also account for some of the most exceptional social developments in human history

a page turning narrative heaven s ditch offers an excitingly fresh look at a heady foundational moment in american history the technological marvel of its age the erie canal grew out of a sudden fit of inspiration proponents didn t just dream they built a 360 mile waterway entirely by hand and largely through wilderness as excitement crackled down its length the canal became the scene of the most striking outburst of imagination in american history zealots invented new religions and new modes of living the erie canal made new york the financial capital of america and brought the modern world crashing into the frontier men and women saw god face to face gained and lost fortunes and reveled in a period of intense spiritual creativity heaven s ditch by jack kelly illuminates the spiritual and political upheavals along this psychic highway from its opening in 1825 through 1844 wage slave sam patch became america s first celebrity daredevil william miller envisioned the apocalypse farm boy joseph smith gave birth to mormonism a new and distinctly american religion along the way the reader encounters america s very first crime of the century a treasure hunt searing acts of violence a visionary cross dresser and a panoply of fanatics mystics and hoaxers

this book seeks to address the question of how we should understand the impact of mitt romney s faith in the 2012 election as the first mormon to earn a presidential nomination from a major party the book provides a comprehensive study of romney s historic candidacy

the united states has long thought of itself as exceptional a nation destined to lead the world into a glorious future but what is at the root of these convictions john howard smith s a dream of the judgment day explores the origins of beliefs about the biblical end of the world and how this belief led to the idea that the united states is an exceptional nation with a unique destiny to fulfill however these beliefs implicitly and explicitly excluded african americans and american indians because they didn t fit white anglo saxon ideals while women and marginal groups were likewise influential in ways that have not been adequately explored featuring a broadly diverse cast of historical figures a dream of the judgment day synthesizes more than forty years of scholarship into a compelling and challenging portrait of early america
