please report to the principal s office paige graham only has room in her life for her son owen he hadn t spoken since his father died but things changed when he met his new art teacher liam campbell paige can t help marvelling at the progress owen s made and liam isn t exactly hard on the eyes either

when talk show host dakota delany agrees to allow bodyguard ian russell to shadow her for two weeks she doesn t count on constantly battling the drop dead gorgeous man who monitors her every move and she definitely doesn t expect the strong and silent ian to immediately take hold of not only her safety but also her heart

this miracle s a mystery

master s thesis from the year 2011 in the subject business economics business management corporate governance grade b british university in dubai course master in project management language english abstract it may be said that we are now in a golden age of philanthropy due to the unprecedented amount of money received by the non profit sector however most philanthropic organizations are lacking in strong strategic plans and established procedures that can support sound project or portfolio selection decisions moreover the combination of weak strategic plans and increased scale of giving is likely to cause unwise selection of projects and portfolios these projects would not be able to achieve the maximum social impact desired by their organizations the purpose of this research is to identify the most appropriate portfolio management approach for philanthropic settings the study is exploratory in nature since direct literature on the topic was almost non existent the research process uses mixed qualitative and quantitative methods to attain comprehensive results it includes a review of the current literature followed by the data collection methods used exploratory study and survey method the major findings indicate that the current portfolio management approaches do not match the nature of the philanthropic sector

there is need for development of a revised approach capable of selecting portfolios of maximum social impact moreover recommendations for effective portfolio management in philanthropic organizations are provided future challenges identified and suggestions made for future research
