a steamy contemporary ya romance by new york times best selling author sophie jordan about a girl with a bad reputation giving lessons on how to attract guys for some extra cash only to fall for her client's golden boy brother for fans of kami garcia katie mcgarry and netflix's sex education wild beautiful and as rumor has it experienced hayden vargas doesn't have time for love or relationships she's learned the hard way that the only person you can count on is yourself and she's hell bent on earning enough money to leave her small judgy texas town as fast as possible so when nerdy emmaline martin offers to pay hayden for lessons in seduction the money is so easy there must be a catch enter the catch emmaline's older brother popular all around nice guy nolan martin who doesn't want his sister's reputation tarnished by the school

s resident bad girl but hayden should know that looks can be deceiving nolan may seem like a golden boy but like hayden he has a few secrets of his own and the more he meddles in her lessons with emmaline the more these polar opposites clash and the more sparks fly turns out nolan may have some lessons to teach hayden but only if she s willing to learn

a review and record of current literature

this is a literary detective story like all good stories it could begin once upon a time once upon a time in 1880 a young man named john muir spent a day crossing a rugged glacier in alaska though he did not even think it worth recording in that evening s diary entry a little black dog accompanied him on that storm haunted trek as time passed the image of the dog and what it symbolized grew in muir s mind entering his after dinner sessions of storytelling seventeen years after the event the popular story of stickeen finally saw print though in a form much edited from muir s original historian ronald h limbaugh here explains the mystery of why john muir struggled for so long to bring stickeen to life dr limbaugh pursued the evolution of the tale through a previously underexplored resource the handwritten annotations muir left in the volumes of his personal library his thorough study covers the oral and literary history of the adventure discusses its style content and sources and places it and muir s difficulties in perfecting it in the context of some of the major concerns of the era particularly the darwinian debates and the emerging animal rights movement although the story of stickeen has been published many times and in many forms since the 1897 article this is the first time muir s original version has been printed it is set alongside other versions of the story including a sentimental version for children composed by muir s niece and the original journal entry from which all versions emerged perhaps best of all it is also set within the context of author limbaugh s high readable lucid prose
