julia kristeva has revolutionized the study of modernism by developing a theoretical approach that is uniquely attuned to the dynamic interplay between on the one hand linguistic and formal experimentation and on the other hand subjective crisis and socio political upheaval inspired by the contestatory spirit of the late 1960s in which she emerged as a theorist kristeva has defended the project of the european avant gardes and has systematically attempted to reclaim their legacy in the new societal structures produced by a global spectacle dominated capitalism understanding kristeva understanding modernism brings together essays that take up the threads in kristeva s analyses of the avant garde offering an appreciation of her overall contribution the intellectual and political horizon within which she has produced her seminal works as well as of the blind spots that need to be acknowledged in any contemporary examination of her insights as with other volumes in this series this volume is structured in three parts the first part provides new readings of key texts or central aspects in kristeva s oeuvre the second part takes up the task of showing the impact of kristeva s

thought on the appreciation of modernist concerns and strategies in a variety of fields literature philosophy the visual arts and dance the third part is a glossary of some of kristeva s key terms with each entry written by an expert contributor

canadian literature and medicine breaks new ground by formulating a series of frameworks with which to read and interpret a national literature derived from the very fabric of that literature in this case canadian canadian literature is of particular interest because of its consideration of coloniality indigeneity and coincident development alongside a nascent socialized medical system currently under threat from neoliberalism the first chapters of the book carefully track the development of canada s socialized medical system as it manifests in the imaginations of the nation s poets and authors who depict care reciprocal flows are investigated in which these poets and authors are quoted in policy documents the archive based methodology is sustained in subsequent chapters that rely upon a unique interdisciplinary mix of medical history philosophy of medicine medical policy theory inherent to the field of canadian literature focusing in particular on the garrison mentality as a form of aesthetic protest and the feminist ethics of care and indigenous ways of knowing

many great writers have been fluent in multiple languages but have never been able to escape their mother tongue yet if a native language feels like home an adopted language sometimes offers a hospitality one cannot find elsewhere my language is a jealous lover explores the plights and successes of authors who lived and wrote in languages other than their mother tongue from samuel beckett and vladimir nabokov to "gota krist" and joseph brodsky author adrián n bravi weaves their stories in with his own experiences as an argentinian italian thinking and writing in the language of his new life while recalling that of his childhood bravi bears witness to the frustrations the soul searching the pain and the joys of embracing another language
