julius kambarage nyerere the first president of tanzania was a pan africanist and an internationalist and this book includes contributions from leading commentators those who worked and fought imperialism alongside nyerere members of a younger generation and nyerere in his own words the writings reflect on nyerere and liberation the commonwealth leadership economic development land human rights and education above all they are a testament to the growing recognition of the need to rekindle the fires of african socialism to which nyerere was deeply committed

president juliys kambarage nyerere was the first president of the united republic of tanzania and founder of the nation he came into power through the ballot a democratic process held in 1961 and remained in power for more than two decades mwalimu nyerere was a gifted and morally upright man he was a true son of africa a panafricanist a nationalist charismatic orator steadfast thinker diplomat and above all a teacher he chose to be called simply mwalimu teacher throughout his term of office he gave hundreds of speeches some were prepared in advance others given extemporaneously the mwalimu nyerere foundation founded by mwalimu nyerere himself in 1996 has assembled and put his speeches and writings into books the quotations in this book are only those picked from the books in freedom series and his university lectures they are presented and arranged under the following themes philosophy of life equality of man colonialism tanzanias revolution democracy selfreliance rural development nonalignment african unity the united nations leadership and education

this book is a result of a joint conference which was held from 18th 22nd july 2017 under the theme religion citizenship and development southern african perspectives the theme of the conference was adopted in order to underline the importance and significance of religion in the socio economic development of people in the world generally and in southern and central africa in particular the papers in the book are divided into two volumes volume one consists of papers which directly discuss religion and development in one form or another the second volume contains papers that discuss religion and other pertinent issues related to development the papers are grouped into sub themes for ease of reference these include citizenship and development migration and development disability and development pentecostal churches and development and religion and society all in all despite a divergence of sub themes in volume two all point to issues to do with the role of religion in development in southern and central africa today

sheikh mujibur rahman s thoughts and visions emancipation peace and development provides a compelling and nuanced analysis of sheikh mujibur rahman s life philosophy and contributions intertwining them with the frameworks of political science and peace studies as the architect of bangladesh mujib s qualities and ideals resonate with those of other legendary figures like mahatma gandhi martin luther king jr and nelson mandela this book reveals how his vision for peace emancipation and development is integral to understanding his unwavering commitment to the freedom of the bengali people through ten meticulously organized chapters the narrative explores mujib s journey highlighting his pivotal roles in political emancipation economic empowerment and the pursuit of social justice the text delves into his nation building efforts detailing his ambition to transform bangladesh into a sonar bangla golden bengal and his dedication to fostering regional peace in south asia furthermore it examines mujib s evolution into a global leader who advocated for peace and justice on the world stage emphasizing his lasting impact beyond national borders

this book serves as a starting point for pre service teachers and researchers by providing a concise and thorough summary of key themes within the field of

civics and citizenship education the field of civics and citizenship education is both complex and contested in local and international jurisdictions it is also a key site for political and policy interventions by governments and other interested parties while this activity makes the field a vibrant one it also means that it can be challenging for teachers and researchers to enter and understand the ongoing debates and discussions and the implications these present for their research and educational practice the book begins with a detailed examination of the history of civics and citizenship education from a variety of perspectives and in different locations it recognizes and documents how the place and importance of civics and citizenship education has changed over the last century and how this has been realized in various educational initiatives it also examines the current state of educational and policy level initiatives in civics and citizenship education noting the differences between different state and country approaches this book also undertakes a detailed consideration of the different typologies of civics and citizenship education that have been formulated by various researchers including notions like justice oriented citizenship activist citizenship and critical citizenship it examines the theoretical foundations of both active citizenship education and global citizenship education and how these have been enacted in school settings furthermore it examines the place of citizenship in higher education institutions and non formal educational settings including practices and statements about the importance of developing global citizenship in these arenas it also presents a number of different case studies showcasing the variety of approaches to civics and citizenship education and discusses the opportunities and challenges educators and researchers face when researching and implementing it

the ethiopian textile industry is particularly affected by high labor turnover in a compelling social study michaela fink investigates the causes of this issue focusing primarily on the voices of the female workforce she illustrates the tension between rural community based orientations of women workers and the industrial working environment in which they find themselves for the women it is often a balancing act between the rural world they come from and the urban consumerist world they live and work in they are attracted to modern values of career consumption and urbanity at the same time it is hardly possible for them to achieve modest prosperity

international development has complex unintended effects on the realities of equity rights governance and conflict in poor countries yet the myriad moral questions and quandaries encountered at every turn by development policymakers and practitioners are seldom thought about or articulated in a rigorous fashion instead development specialists are trained to focus on the technocratic aspects of economic aid delivery and to disregard the moral issues raised by the adverse collateral consequences of aid programs for many people communities institutions and environments in the developing countries reclaiming value in international development is the first book to bridge the divide between ethics and development from the perspective of a seasoned development practitioner who is also a trained ethicist schwenke formally enlarges the concept of development to include its moral dimension to denote beneficial change that alleviates human misery and environmental degradation in poor countries and reinforces universal ethical norms such as human dignity essential freedoms social justice peace civic virtue human flourishing the common good gender equality safety and security and participation and inclusion she applies this ethically expanded concept to nine key topics in international development education leadership procurement food security conflict urbanization gender identity and sexual orientation deliberative participation and the measurement of ethical performance throughout the book the author draws on her thirty years of experience as a development practitioner in thirty poor countries around the world to give vivid real life illustrations of the classic moral dilemmas in development ethics and to show how moral reasoning can clarify and resolve them

this book presents the first truly rounded portrait of nyerere s early life from his birth in 1922 until his graduation from edinburgh in 1952 helping us to see his later political achievements in a new light it was after returning to tanganyika that mwalimu the teacher formally entered politics and led efforts to deliver tanganyika to independence publishers website

this is the fourth edition of nyerere and africa end of an era it is also the largest and includes new material not found in previous editions the work is a

comprehensive study of the political career of president julius nyerere spanning half a century the author takes a critical look at nyerere s policies and influence in the domestic and international arenas for an objective evaluation of the life and times of one of the most influential leaders in the twentieth century the major role he played in the liberation of southern africa is just one of the subjects addressed by the author he also provides insights into nyerere s personality from some of the people who knew him best included in the book are interviews with some of the people who knew nyerere since his childhood some of them were his teachers and they outlived him others were his schoolmates and colleagues in government and when he was a teacher and some of them were his students also included are interviews with some of his family members this is an essential study of post colonial africa it is also a study in political leadership and cold war politics in the african context among many other subjects addressed in the book which should serve as a reference text for scholars and laymen alike interested in africa and the third world in general

pamphlet of statements on social change and economic development in africa discusses various aspects of human rights equality and dignity in society the tasks of the political party non alignment and the church the reason for choosing socialism in africa etc

monograph of selected writings and statements on the political doctrine and development policies of socialism in tanzania includes illustrations
