this book presents an ethnographic study of contemporary ticket touts in the uk

despite the recent interest in the topic of black market ticket sales media coverage and parliamentary interventions over the last ten years have revealed a widespread lack of knowledge with regard to the phenomenon of touting and the players engaging in the practice the rise and rise of illegal ticket touting sheds light on the world of touting and delivers an authentic picture of the individuals involved of their methods values and motivations for performing ticket touting as an organised entrepreneurial deviant activity the touts varied methods of buying and selling tickets the hierarchical structures and strict ethos of their criminal organisations and their specific modi operandi for evading detection and arrest both on the streets and online are focal points of the study of equal importance are the touts attitudes perceptions and adaptations to or outright dismissal of society's legal and moral frameworks this book illuminates why historic and renewed attempts to challenge ticket touting have been unsuccessful focusing on inadequate legislation a lack of enforcement and the widespread corruption and exploitable loopholes that exist within the official primary ticket market an accessible and compelling read the rise and rise of illegal ticket touting will appeal to students and scholars of criminology sociology social policy policing and all those with an interest in live music and sport and the hidden practices that lurk beneath the surface

this book provides a comprehensive overview and economic analysis of us consumer demand for televised football soccer accounting for transnational demand research is focused on the us consumers demand for the english premier league spanish la liga italian serie a german bundesliga french ligue 1 and the uefa champions league which represent the most popular and marketable football competitions worldwide and have recently sealed lucrative media rights contracts in many large markets including the us the study also takes account of north american major league soccer mls in order to provide a more comprehensive overview of the country's football market and to allow for direct comparisons with the aforementioned european competitions these findings offer valuable insights for us broadcasters european league organizers and managers to adjust existing strategies and or develop new strategies in conquering the us football market

this book investigates the framing of the terrorist threat in france from 2015 to 2020 as an exceptional challenge which requires a special public security response the book examines how french political actors framed the terrorist threat in french political discourse from an exceptional challenge to a permanent routine threat it provides an in depth critical discourse analysis of the french political narratives surrounding the activation of the état d'urgence state of emergency following the 2015 charlie hebdo and paris terrorist attacks and traces this narrative until 2020

the study explores the securitisation desecuritisation framework showing how the normalisation of emergency powers reflects the ongoing re construction of terrorism within french political contexts the work demonstrates the importance of threat framing and the securitisation of terrorism by considering the colonial legacies embedded in french counterterrorism ct policies by investigating the intersection of ct political discourse temporality and colonial continuity the book challenges traditional notions of exceptionalism in securitisation it argues that the routinisation of counterterrorism measures highlights the impossibility of fully desecuritisng terrorism re establishing the status quo revealing how these measures are deeply rooted in france s colonial past this book will be of interest to students of terrorism studies critical security studies french politics and international relations
