reading contemporary african american literature focuses on the subject of contemporary african american popular fiction by women bragg s study addresses why such work should be the subject of scholarly examination describes the events and attitudes which account for the critical neglect of this body of work and models a critical approach to such narratives that demonstrates the distinctive ways in which this literature captures the complexities of post civil rights era black experiences in making her arguments regarding the value of popular writing bragg argues that black women s popular fiction foregrounds gender in ways that are frequently missing from other modes of narrative production they exhibit a responsiveness and timeliness to the shifting social terrain which is reflected in the rapidly shifting styles and themes which characterize popular fiction in doing so they extend the historical function of african american literature by continuing to engage the black body as a symbol of political meaning in the social context of the united states in popular literature beauty bragg locates a space from which black women engage a variety of public discourses

a taste for brown sugar boldly takes on representations of black women s sexuality in the porn industry it is based on mireille miller young s extensive archival research and her interviews with dozens of women who have worked in the adult entertainment industry since the 1980s the women share their thoughts about desire and eroticism black women s sexuality and representation and ambition and the need to make ends meet miller young documents their interventions into the complicated history of black women s sexuality looking at individual choices however small a costume a gesture an improvised line as small acts of resistance of what she calls illicit eroticism building on the work of other black feminist theorists and contributing to the field of sex work studies she

seeks to expand discussion of black women's sexuality to include their eroticism and desires as well as their participation and representation in the adult entertainment industry. Miller Young wants the voices of black women sex workers heard and the decisions they make, albeit often within material and industrial constraints, recognized as their own.

Making headlines when it was launched in 2015, *Omise Eke Tinsley's* undergraduate course, *Beyoncé Feminism: Rihanna Womanism*, has inspired students from all walks of life. In *Beyoncé in Formation*, Tinsley now takes her rich observations beyond the classroom, using the blockbuster album and video *Lemonade* as a soundtrack for vital new millennium narratives woven with candid observations about her life as a feminist scholar of African studies and a cisgender femme married to a trans spouse. Tinsley's *Femme onade* mixtape explores myriad facets of black women's sexuality and gender, turning to Beyoncé's *Don't Hurt Yourself*. Tinsley assesses black feminist critiques of marriage and then considers the models of motherhood offered in *Daddy Lessons*, interspersing these passages with memories from Tinsley's multiracial family history. Her chapters on nontraditional bonds culminate in a discussion of contemporary LGBT politics through the lens of the internet, breaking video formation, underscoring why Beyoncé's black feminism isn't only for ciswomen. From pleasure politics and the struggle for black women's reproductive justice to the subtext of blues and country music traditions, the landscape in this tour is populated by activists and artists including Loretta Lynn and infused with vibrant interpretations of Queen Bey's provocative, peerless imagery and lyrics. In the tradition of Roxanne Gay's *Bad Feminist* and Jill Lepore's best-selling cultural histories, *Beyoncé in Formation* is the work of a daring intellectual who is poised to spark a new conversation about freedom and identity in America.
