research perspectives on social media influencers and their followers argues that the brands that find the most success on social media are the ones that acknowledge the real key to social media marketing it s all about the followers this collection edited by brandi watkins explores how social media has shifted power dynamics away from brands

and toward the consumers themselves the social media users who choose to like share and engage with brands online this dynamic has paved the way for the rise of the social media influencer smi a unique category of social media user who has a large platform and compelling content that attracts a number of loyal and devoted followers it s the followers that make smi relevant and appealing to brands as a marketing strategy contributors discuss emerging trends in research related to the smi and their followers as the influencer marketing industry continues to grow and evolve they argue so too should our understanding of the influencer follower relationship that makes this marketing strategy successful each chapter of this collection presents a variety of research perspectives questions and methodologies that can be used to analyze this trend scholars of media studies communication technology studies celebrity studies marketing and economics will find this book particularly useful

digital femininities the gendered construction of cultural and political identities online examines the role of new media technologies in the production of girls cultural and political identities the book argues that the varied and complex spaces which make up our social media should be conceptualised as important terrains upon which neoliberal and postfeminist subjectivities can be both reproduced and subverted in doing so the book explores many key issues underpinning current debates around gender politics and digital media including gendered spatial politics visibility surveillance and regulation beauty politics and civic and political engagement and activism over the last decade the position of girls and young women within the digital landscape of social media has been a topic of much debate on the one hand girls social media practices are presented as a key site of concern wherein new digital technologies are said to have produced an intensification of individualised neoliberal and postfeminist identities conversely others have championed access to social media for young people as a potentially useful political tool enabling previously marginalised political subjects such as girls to access and participate within new and exciting political cultures locating itself at the intersection of these two approaches this book offers a fresh contribution to these debates based upon the findings from focus groups with girls and young women aged between 12 and 18 in england the book offers an in depth analysis of the digital cultures that emerged from the study this timely book will be essential reading for anyone interested in contemporary femininity and feminism and the role of digital media in the production of cultural political and gendered identities

next level revelatory sarah knight new york times bestselling author of the life changing magic of not giving a f ck excellent rina really knows her shit i m so thankful for this book jameela jamil actress and host of i weigh journalist rina raphael looks at the explosion of the wellness industry how it stems from legitimate complaints how seductive marketing targets hopeful consumers and why women are opening up their wallets like never before wellness promises women the one thing they desperately desire control women are pursuing their health like never before whether it s juicing biohacking clutching crystals or sipping collagen today there is something for

everyone as the wellness industry has grown from modest roots into a \$4.4 trillion entity and a full blown movement promising health and vitality in the most fashionable package but why suddenly are we all feeling so unwell the truth is that deep within the underbelly of self care hidden beneath layers of clever marketing wellness beckons with a far stronger more seductive message than health alone it promises women the one thing they desperately desire control vividly told and deeply reported the gospel of wellness reveals how this obsession is a direct result of women feeling dismissed mistreated and overburdened women are told they can manage the chaos ruling their life by following a laid out plan eat right exercise meditate then buy or do all this stuff and while wellness may have sprung from good intentions we are now relentlessly flooded with exploitative offerings questionable ideas and a mounting pressure to stay devoted to the divine doctrine of wellness what happens when the cure becomes as bad as the disease with a critical eye humor and empathy wellness industry journalist rina raphael examines how women have been led down a kale covered path promising nothing short of salvation she knows raphael was once a disciple herself trying everything from clean eating to electric shock workouts until her own awakening to the troubling consequences balancing the good with the bad the gospel of wellness is a clear eyed exploration of what wellness can actually offer us knocking down the false idols and commandments that have taken hold and ultimately showing how we might shape a better future for the movement and for our well being
