this book examines the phenomenon of digital guru media dgm the self-styled online influencers life coaches experts and entrepreneurs who post on the themes of wellness health and fitness it opens up new perspectives on digital leisure and internet celebrity culture and asks important questions about the social cultural and psychological implications of our contemporary relationship with digital media drawing on cutting edge social theory the book explores a wide range of contexts in which dgm intersects with digital leisure from the health related learning of young people to the clean eating movement to the online lives of fitness professionals it asks if digital and social media are problematic per se and explores the problems a turn to the internet could be revealing about the lack of real world or analogue support as well as potential solutions for our wellness health and fitness needs and wants bringing together innovative multi-disciplinary perspectives this book is fascinating reading for anybody with an interest in leisure studies media studies cultural studies sociology or health and society

no restrictions or calorie counting just wildly delicious recipes and simple ways to organise yourself to cook and eat well by the cofounder of the bare guides buckle in for some seriously delicious nutritious and incredibly satisfying food that is healthy but doesn't compromise on taste ever leah itsines comes from a big greek family where food is always at the forefront of every gathering but it's no secret she also lives and breathes healthy eating and a lifestyle that supports wellbeing how do you combine a love of food with a healthy lifestyle you make good food made simple if you don't feel confident in the kitchen or you've had a bad relationship with food this is the book to ease you back to balanced and realistic eating that is satisfying and fun begin with meal prep hacks and money saving tips to get organised learn how to make some mean marinades that will make life simply delicious then move through over 100 killer recipes from the lighter side quick delicious to itsines family favourites and for something a bit special the entertainer good food made simple is your gateway to getting comfortable in the kitchen being kind to your body and having some fun food wasn't meant to be hard

this book offers a trailblazing account of postfeminist sensibility as a digital feeling that shapes how we understand the world around us it explores how we feel in a world where the digital has become intertwined with our intimate relationships to ourselves and to others the book develops a novel approach that draws on feminist theories of

affect emotion and structures of feeling to analyse the entanglements of the digital and the non digital and the public and the private and to show how good feeling shapes a contemporary moment that often leads us back to normativity and reproduces systemic inequality this is achieved through several different digital media spheres including the instagram account barbie savior fitspo content tiktok influencers and their get ready with me videos the archive of hot men on tubecrush and the intimacies of the internet cat suggesting that each offers a snapshot of our current emotional landscapes

14 days of kayla itsines healthy tasty meals sometimes the only thing harder than the workouts is eating healthy and fighting those junk food cravings itsines recipe guide uses the same nutrition principles as the help nutrition guide and contains 14 additional days worth of amazing drool worthy recipes

postfeminism and body image is a groundbreaking work that provides a poststructuralist and psychosocial analysis of key issues at the intersections of body image psychology and media the book outlines the theoretical framework through the work of renowned philosophers michel foucault and gilles deleuze and their use in feminist scholarship to address body image issues and challenges in the context of a postfeminist sensibility the authors rethink body image calling into question assumptions and obligations that affect recent issues related to social media use body positivity the transformation imperative body shaming and muscular masculinity the analysis shows the advantage of seeing body image as a form of non linear warfare structured by contradiction confusion and critique where attempts to challenge oppressive body image practices are appropriated under the guise of positive alternatives to maintain that oppression through real world examples these nuanced concepts are made relatable and comprehensible to the readers the book also offers a number of affirmative and hopeful ways forward this is an indispensable resource for students and professionals of gender studies health psychology social psychology and media and cultural studies it is also ideal for anyone exploring body image self image postfeminism and poststructuralism

one cannot think well love well sleep well if one has not dined well virginia woolf the definition of healthy eating has been chewed up spat out and re digested enough times to make joe public give up and seek out their nearest branch of mcdonald s our mindless obsession with eating right is such that we re now more concerned about what our instagram followers think of a poorly lit picture of our dinner than we are of its effect on our own palate or indeed our happiness we seem to be living in a time where we no longer eat with our hearts emotions or heritage but with what our waistlines and followers in mind not plant based are on a mission to help you love food again the principle is very simple eat what you like and don t worry about it it s a menu that s especially delicious guilt free and requires a hell of a lot less money spent in

health food shops throughout the book Laura and Eve call on experts to debunk myths and provide a balanced exploration of our attitude towards food with some delicious recipes thrown in along the way they discuss their own experiences of eating disorders and offer personal tips and coping mechanisms to help rid you of anxiety linked to food no one is saying healthy eating is bad there is simply a lot of misleading information out there more to the point food is so much more in the grand scheme of life than health it's family friends enjoyment and memories so go on take a bite out of eat it anyway and learn to love your food all over again it's so mouth watering good we bet you'll be back for seconds praise for eat it anyway learn to love food again with this book which sorts nutritional nonsense from sensible science woman's weekly
