women s liberation shocks you with a new meaning

since the end of the cold war the monopoly of legitimate organized force of many african states has
been eroded by a mix of rebel groups violent extremist organizations and self defence militias created in
response to the rise in organized violence on the continent african border disorders explores the complex
relationships that bind states transnational rebels and extremist organizations and borders on the african
continent combining cutting edge network science with geographical analysis the first part of the book
highlights how the fluid alliances and conflicts between rebels violent extremist organizations and states
shape in large measure regional patterns of violence in africa the second part of the book examines the
spread of islamist violence around lake chad through the lens of the violent nigerian islamist group boko
haram which has evolved from a nationally oriented militia group to an internationally networked
organization the third part of the book explores how violent extremist organizations conceptualize state

boundaries and territory and reciprocally how do the civil society and the state respond to the rise of transnational organizations the book will be essential reading for all students and specialists of african politics and security studies particularly those specializing on fragile states sovereignty new wars and borders as well as governments and international organizations involved in conflict prevention and early intervention in the region the open access version of this book available at taylorfrancis com has been made available under a creative commons attribution non commercial no derivatives 4 0 license
