a comprehensive study of women working in the australian sex industry usually outside of brothels and often via telephone from home thus their name call girls makes for surprising and challenging reading and most importantly places the world of the sex worker within political and legal contexts which will surprise and change the preconceived notions of many readers publisher

illustrated by in depth empirical research from kenya one of the most popular country destinations in africa for sex tourism this book gathers much needed statistics and data and then critically examines the features of tourism and the sex trade contextualizing this in relation to tourism development it addresses the conditions which generate this social problem and while not taking a potentially

problematic moralistic stance it questions whether this trade is exploitative in nature particularly in cases of child sex tourism it then critically evaluates the current policies in place to regulate the sex tourism industry and provides suggestions for future direction

4 chapters on male homosexuality incl one by evelyn hooker 1 chapter on lesbians

bright and magnetic tina biggar was an all american girl from a picture perfect family she studied hard and played hard and when a subject interested her she couldn t let it go at college tina worked on a research project interviewing prostitutes about aids awareness later she explored on her own the seedy world of the high class call girl and walked into a nightmare she s never return from living off campus with her boyfriend todd tina s interest has taken a dangerous turn one of her family and friends suspected that the twenty three year old blonde was secretly working as a call girl for three shadowy escort services providing sexual favors to strangers for one

hundred dollars an hour then one day tina was gone four weeks later police found her decomposed body behind a vacant house hidden there by a forty one year old treacherous ex con and regular client who would be charged with her violent death only with her tragic murder did the twisted story of tina s shocking double life emerge before the horrified eyes of those who knew and loved her

in their personal lives people consider it essential to separate economics and intimacy we have for example a long standing taboo against workplace romance while we see marital love as different from prostitution because it is not a fundamentally financial exchange in the purchase of intimacy viviana zelizer mounts a provocative challenge to this view getting to the heart of one of life s greatest taboos she shows how we all use economic activity to create maintain and renegotiate important ties especially intimate ties to other people in everyday life we invest intense effort and worry to strike the right balance for example when a wife s income equals or surpasses her husband s how much more time should the man devote to household chores or child care sometimes legal disputes arise should the surviving partner in a same sex relationship have received compensation for a partner s death as a result of 9 11 through a host of compelling examples zelizer shows us why price is central to three key areas of intimacy sexually tinged relations health care by family members friends and professionals and household economics she draws both on research and materials ranging from reports on compensation to survivors of 9 11 victims to financial management sites and advice books for same sex couples from the bedroom to the courtroom the purchase of intimacy opens a fascinating new window on the inner workings of the economic processes that pervade our private lives
