the survival of edmund harrold s diary for the years 1712 1715 is a remarkable piece of luck for historians not only are such diaries for the middling sort rare for this period but few provide so candid an insight into the everyday concerns and troubles of early eighteenth century life providing a full transcription of the diary with a substantial introduction and

scholarly references this edition the first since a partial transcription in the nineteenth century offers a unique insight into both a troubled individual and the society in which he lived and worked born in 1678 edmund harrold seems to have worked his whole life in manchester as a barber and wigmaker with a sideline in book dealing the period covered by his diary although short is rich in its insights into his life and thoughts it lays open his struggles with alcohol his attitudes to and frequency of marital sex his reactions to the death of his three wives and 5 children and his religious meditations upon these and other subjects the diary also relates the ups and downs of his business together with the day to day realities of a provincial barber from cutting hair to wig making to unblocking the nipples of wet nurses the only medical service he records performing what emerges from the these pages is a fascinating snapshot into the social professional and private life of an impoverished inhabitant of manchester during a period of profound social and economic change it is impossible to read the diary without developing some sense of empathy with this troubled man but more than this it puts flesh onto the bones of history reminding us that the people we read about and study were all individuals
