drama lessons offers an exciting and varied range of tried and tested lessons carefully planned and easy to follow tailor made for the busy primary teacher non drama specialists will find the book especially helpful while specialists will welcome a lesson collection for their own or colleagues use for each lesson plan essential resources and timing information are given along with helpful suggestions for differentiation and follow up activities the lessons cover most curriculum areas including english especially speaking and listening history science and numeracy for teachers here for the first time is a book which just contains lesson plans to pick up and teach drama lessons will also give student teachers a flying start in their school placements

even teachers who enjoy their job often complain that they become stale after teaching the same things every year they look for new ideas that will reignite their enthusiasm this book does just that it offers numerous ideas for drama lessons for primary school children

drama lessons ages 7 11 offers an exciting and varied range of tried and tested lessons which have been tailor made for the busy primary key stage 2 teacher

designed for busy teachers drama lessons ages 4 7 provides tried and tested lesson plans which will help you to make your drama lessons fun learning experiences drama lessons ages 4 7 emerges from the continuing positive responses to drama lessons for five to eleven year olds 2001 and the three book series role play in the early years 2004 in this book you will find a carefully chosen selection of the best lessons taken from these four texts plus some exciting new material a combination of brand new and classic lessons this new collection introduces literacy alerts which identify how the drama activities develop aspects of literacy and suggest additional literacy activities for each lesson plan essential resources and timing information are provided the lessons cover a range of themes and curriculum areas specialists and non specialists nursery nurses teaching assistants and playgroup leaders will find the book easy to use and it will give all trainee teachers a flying start in their school placements

a book for teachers of primary school children which will help both the novice and seasoned professional to plan exciting lessons that fit in with the scottish government s new curriculum for excellence the themes and issues chosen for exploration in this edition reflect the broad scope of the current curriculum with its wide ranging and holistic approach to learning and teaching and all the lesson plans are completely suitable and relevant for continuing use under the still evolving curriculum at the end of each lesson the outcomes experiences as contained in the curriculum for excellence guidelines are given for that lesson please refer to the appropriate section of these guidelines for the full interpretation of the codes by visiting curriculumforexcellencescotland.com the book retains the format of the original edition and is composed of a series of lesson plans or lesson sequences with each plan covering a particular theme or issue some of the lessons will enlarge and expand upon material covered in previous chapters but with more detail or different emphases shopping for example is a more detailed exploration of a section in the our food lesson plan and is included here in response to feedback from teachers who found it to be the most popular lesson among pupils in p1 p3 and the most requested again the plans are ordered in relation to the pupils age and their stage p1 to p7 within the school once again however it should be emphasised that a class of pupils will not learn at the same pace nor work at the same level as each other teachers therefore should utilise fully the flexibility of the lesson plans by adapting them to suit the ability of the pupils in their class for example a lesson plan suggested for p3 or p4 may also be given to p6 or p7 and vice versa with appropriate and imaginative modifications also in the same lesson pupils may

contribute at levels of varying degrees according to their individual abilities as always the shared experience of the lesson is the key issue an expanded glossary of drama terms and definitions is included in the book as well as further suggestions for extension work useful websites and relevant resources and materials it should be emphasised once more that this edition represents the latest stage of an evolving work in progress with infinite scope for growth and expansion as future ideas and possibilities are created by the continuing evolution

this exciting new book offers practical resources and lesson plans for exploring gender in the drama curriculum it looks at how theatre performances throughout history have played with the concept of identity and gender and explains why drama lessons can provide a safe and considerate space for thinking about gender drawing on theatre history world theatre theatre forms and theatre theory each chapter focuses on key topics that will challenge students to play and explore gender roles as they choose introducing a new drama vocabulary drawn from archaeology and cartography this book includes a wide range of materials for excavation from traditional stories contemporary children's literature greek mythology elizabethan and restoration theatre japanese and chinese theatre mask and physical theatre providing new insight into how existing drama units can be redefined to create a space where the exploration of gender identity is not only allowed but something exciting and joyful to focus on this is an essential resource for all drama teachers

there has been renewed interest on the subject of planning implementing and evaluating drama work with a range of activities strategies and techniques provided this text explores the issue

as schools have become more aware of their role in addressing personal and social issues the importance of values and attitudes have begun shaping education and curricula worldwide drama in education explores the six fundamental pillars of the national curriculum guide of iceland in relation to these changing values and attitudes focusing on the importance of human relations this book explores literacy sustainability health and welfare democracy and human rights equality and creativity it demonstrates the capability of drama as a teaching strategy for effectively working towards these fundamental pillars and reflects on how drama in education can be used to empower children to become healthy creative individuals and active members in a democratic society offering research based examples of using drama successfully in different educational contexts and considering practical challenges within the classroom drama in education exploring key research concepts and effective strategies is an essential guide for any modern drama teacher

no matter what you teach there is a 100 ideas title for you the 100 ideas series offers teachers practical easy to implement strategies and activities for the classroom each author is an expert in their field and is passionate about sharing best practice with their peers each title includes at least ten additional extra creative bonus ideas that won't fail to inspire and engage all learners bring your

drama lessons to life and engage the most unlikely of thespians using ideas from this updated title in the popular 100 ideas series drama is a key subject for getting students to express themselves creatively as well as helping them to improve communication skills across the curriculum using his wealth of experience teaching drama in secondary schools johnnie young has put together 100 tried and tested activities and strategies for implementing a full drama teaching programme in your school suggestions for bringing shakespeare's plays to life advice on improving storytelling and engaging cross curricular activities are just a few of the areas covered each idea includes the learning aim of the activity so you can assess progress and map the ideas to your schemes of work and there are practical teaching tips and taking it further ideas throughout the book johnnie also offers drama specific behaviour management tips another area he specialises in to help you ensure you stay in control of even the most rambunctious class the book is a must for all secondary drama teachers and indeed anyone wanting to inject some drama into their lessons

what are the prerequisites for reforming education and how can these reforms be seen in school development and culture how should teacher education support this reform process what are the principles and practices underlying the functioning of the schools of tomorrow these questions are examined in this unique volume the authors in this book argue that the central function of teacher education and education in general is to respond to the challenges brought on by the twenty first century according to this approach the competencies and skills needed in the future are not merely a new addition to school activities but rather something requiring a comprehensive reform of school culture encompassing teacher education curricula and teaching methods such a fundamental process of change in the action and thinking models used by schools would be an effort to achieve a complete transformation the result of which would be schools developing into organizations that are both creative and imbued with a strong sense of community a central attribute is that the creation of new knowledge is not just restricted to the classroom but also takes place in out of school environments this would link learning to its natural context eventually leading to an ideal instruction that is actively problem oriented holistic and life centered this reform minded volume is divided into three parts the first part focuses on the reform processes in teacher education the second on the reforms of pedagogics at schools and teacher education institutions and the third on the processes of reculturing schools new prospects for active schools in the united states and europe as well as in japan and china are discussed

for this essential collection of readings on literacy and language teresa grainger has carefully chosen journal articles and book chapters which offer significant and serious insights into the world of literacy in the twenty first century

how do you approach teaching english in the contemporary classroom what is expected of a would be english teacher the fourth edition of this best selling text combines theory and practice to present

an indispensable introduction to the opportunities and challenges of teaching english in the secondary classroom it offers insight into the history policies and definitions surrounding the subject together with innovative and practical strategies which can be used for effective teaching and learning already a major text for many university teacher education courses the new edition reflects the extent and impact of current reforms whilst retaining its focus on what is of enduring value for english teaching with an emphasis on developing your own values and on stimulating approaches that underpin english teaching it will help you navigate your way through changing curriculum requirements assessment practice and the demands of professional development key topics explored include reading writing and speaking and listening teaching language and grammar drama in english teaching poetry working with digital technologies post 16 english language and literature developing as a critically reflective practitioner written particularly with the new and student teacher in mind learning to teach english in the secondary school aims to equip readers with the tools to make critically informed judgements about how to teach develop principled practice and most importantly be mindful of pupils and their experience of english in the secondary classroom
