in the lost history of 1914 jack beatty examines the first world war and its causes testing against fresh evidence the long dominant assumption that it was inevitable most books set in 1914 map the path leading to war beatty writes this one maps the multiple paths that led away from it radically challenging the standard account of the war's outbreak beatty presents the assassination of archduke franz ferdinand not as the catalyst of a war that would have broken out in any event over some other crisis but rather as its all but unique precipitant chronicling largely forgotten events faced by each of the belligerent countries in the months before the war started in august beatty shows how any one of them a possible military coup in germany the threat to britain of civil war in ireland the murder trial of the wife of the likely next premier of france who sought détente with germany might have derailed the arrival of war europe's ruling classes beatty shows were so haunted by fear of those below that they mistook democratisation for revolution and were tempted to escape forward into war to head it off beatty's deeply insightful book as elegantly written as it is thought provoking and probing lights a lost world about to blow itself up in what george kennan called the seminal catastrophe of the twentieth century the lost history of 1914 is a highly original and challenging work of history

a daily mail book of the year and a the times and sunday times best book of 2021 monumental authoritative and highly readable ben macintyre the times a fascinating history of royal espionage sunday times excellent compelling guardian for the first time spying and the crown uncovers the remarkable relationship between the royal family and the intelligence community from the reign of queen victoria to the death of princess diana in an enthralling narrative richard j aldrich and rory cormac show how the british secret services grew out of persistent attempts to assassinate victoria and then operated on a private and informal basis drawing on close personal relationships between senior spies the aristocracy and the monarchy this reached its zenith after the murder of the romanovs and the russian revolution when fearing a similar revolt in britain king george v considered using private networks to provide intelligence on the loyalty of the armed forces and of the broader population in 1936 the dramatic abdication of edward viii formed a turning point in this relationship what originally started as family feuding over a romantic liaison with the american divorcee wallis simpson escalated into a national security crisis fearing the couple's nazi sympathies as well as domestic instability british spies turned their attention to the king during the second world war his successor king george vi gradually restored trust between the secret world and house of windsor thereafter queen elizabeth ii regularly enacted her constitutional right to advise and warn raising her eyebrow knowingly at prime ministers and spymasters alike based on original research and new evidence spying and the crown presents the british monarchy in an entirely new light and reveals how far their majesties still call the shots in a hidden world previously published as the secret royals

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

an overview of germany s naval and imperial activities in east asia and the pacific in the years leading up to the first world war this book examines german attempts to acquire colonial territories in east asia and the pacific and discusses the huge impact this had on local and other international powers it covers the german acquisition of kiautschou in 1897 which had profound consequences for china beginning a scramble for concessions by other western powers the formation of the powerful german east asiatic cruiser squadron which was seen by the british as a major threat and which resulted in the advent of the fleet unit concept and the birth of the royal australasian navy the japanese siege and capture of the key german base of tsingtau in 1914 and the fate of the various former german colonies after germany s defeat in 1918 the book contains many illustrations from the author s extensive private collection charles stephenson is an extensively published military historian whose books include moel famau and the jubilee tower of king george iii 2008 servant to the king for his fortifications paul ive and the practise of fortification 2008 the admiral s secret weapon published by boydell in 2006 fortifications of the channel islands 1941 45 hitler s impregnable fortress 2006 the fortifications of malta 1530 1945 2004 and zeppelins german airships 1900 1940 2004

this collection of letters from kaiser wilhelm ii to emperor nicholas ii of russia illuminates a crucial period in european history from the pre war tensions that ultimately led to world war i to the personal relationship between the two powerful monarchs this volume provides a fascinating look into the minds of two of europe s most important leaders this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
