the forces that shaped the institution of slavery in the american south endured albeit in altered form long after slavery was abolished  
toiling in sweltering virginia tobacco factories or in the kitchens of white families in chicago black women felt a stultifying combination of racial discrimination and sexual prejudice and yet in their efforts to sustain family ties they shared a common purpose with wives and mothers of all classes in labor of love labor of sorrow historian jacqueline jones offers a powerful account of the changing role of black women lending a voice to an unsung struggle from the depths of slavery to the ongoing fight for civil rights

a personal account of one teacher's journey through the labyrinth that is urban public education while claiming to need teachers meeting the highest of intellectual and professional standards the educational bureaucracy really demands bureaucrats who execute decisions not professionals who make decisions the teacher whose life is at the center of this book turns surprisingly to her union to reclaim what she believes to be the legacy of her profession thus begins a parallel journey into the inner workings of the teachers union movement she finds another contradiction as compelling as the first does the teachers union represent workers or professionals is it to focus strictly on bread and butter issues or are professional issues also its concern even its obligation written by someone who knows both the school system and the union from the inside out this book asks the tough questions explodes the erroneous myths and exposes the conflicting contradictions in public education and in its union movement most of all however it describes the enormous stakes that await the decision that the teachers themselves have to make it comes down to one critical question are they workers or are they professionals author bio deborah lynch walsh is a chicago public school teacher an activist in the chicago teachers union and an advocate for teacher empowerment and education reform she holds bachelor and master's degrees in education and a ph d in educational policy analysis walsh has worked in schools and unions for 25 years

black enterprise is the ultimate source for wealth creation for african american professionals entrepreneurs and corporate executives every month black enterprise delivers timely useful information on careers small business and personal finance

death and love brings together notable psychoanalytic and philosophical theorists to explore the connection between death and love the book examines how these phenomena shape human existence and relationships challenging the conventional dichotomy between life affirming and death driven dimensions the volume features contributions from international scholars who illustrate these ideas through various lenses including literature film and theology the chapters consider the role of the death drive in shaping social bonds the transformative power of love beyond individual existence and the notion that both philosophically and psychoanalytically love aligns with the realm of death death and love will be essential reading for academics and students of philosophy psychoanalysis existentialism theology and psychology it will also be of interest to psychoanalysts in practice and in training and to all readers wishing to explore this thought provoking topic

i believe when you read this book you will see your own dilemma and warning warning one of the subject's title will leave you pondering about your life
