contemporary history and progressive revelation regarding the hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of revelation which does not disturb the historicist s view that the papacy is the antichrist under this new interpretation john s use of recapitulation was modest as compared with the traditionalist s view the new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the laodicean church the autumnal festivals and the the time of the end in daniel 8 17 the correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative as is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of god and a reproof for those who walk in darkness revelation 1 3

although many people today reject christianity for intellectual reasons greater numbers of people are rejecting christianity because it does not engage their imagination christians must not only demonstrate that the christian worldview is true but that it is also good beautiful and relevant the good news of the return of the king the gospel in middle earth is a book that endeavors to show the truth goodness and beauty of jesus christ the gospel and the biblical metanarrative by engaging the imagination through j r r tolkien s the lord of the rings as well as the hobbit and the silmarillion in this book i propose that j r r tolkien s the lord of the rings is a story about what jesus parables are about the good news about the return of the king as a work of imaginative fiction similar to jesus parables the lord of the rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of

familiarity that obscures the gospel for many

but when it is the lord who has something against the church it is not a laughing matter its time to tremble however as long as the love is more important than the disappointment you can work out just about any problem between you it is only when disappointment seems more important than love that relationship problems become toxic
