this publication brings together current scholarship that focuses on the significance of performing arts heritage of royal courts in southeast asia the contributors consist of

both established and early career researchers working on traditional performing arts in the region and abroad the first volume *pusaka as documented heritage* consists of historical case studies contexts and developments of royal court traditions particularly in the nineteenth and twentieth centuries the second volume *pusaka as performed heritage* comprises chapters that problematise royal court traditions in the present century with case studies that examine the viability adaptability and contemporary contexts for coexisting administrative structures

monarchy was widespread as a political system in the ancient world this volume offers a substantial discussion of ancient monarchies from the viewpoint of the ruler's court the monarchies treated are achaemenid and sassanian persia the empire of alexander rome under both the early and later caesars the han rulers of china and egypt's eighteenth dynasty a comparative approach is adopted to major aspects of ancient courts including their organisation and physical setting their role as a vehicle for display and their place in monarchical structures of power and control this approach is broadly inspired by work on courts in later periods of history especially early modern france the case studies confirm that ancient monarchies created the conditions for the emergence of a court and court society the culturally specific conditions in which these monarchies functioned meant variety in the character of the ruler's court from one society to another

this book assesses the extent to which an emphasis on national security and prioritization of state interests has dominated governance policy making in northeast and southeast asia at the expense of human security human development and human rights the findings are that in many cases there are embedded structural obstacles to achieving human centered governance objectives in the region these relate to the role of the military historical authoritarian legacies and new authoritarian trends contributors examine not only the most obvious instances of military domination of governance in the region north korea with its military first philosophy thailand since the 2014 coup and myanmar with its long history of military rule but also less well known examples of the influence of conflict legacies upon governance in cambodia timor leste and laos as well as the emergence of new reservoirs of power and resources for the forces of authoritarianism

monarchy and religion explores the religious dimension of kingship in 18th century europe by comparing the british french russian and some of the german monarchies it challenges assumptions about the desacralization of royal power during this period

court rules in v 37 44 53 59 64 73 80 87 90

the glorious revolution of 1688 represented a crucial turning point in modern british history by decisively shifting political power from the monarchy to parliament in this cogent study first published in 1972 stuart prall offers a well balanced account of the revolution its roots and its consequences the events of 1688 prall argues cannot be viewed in isolation examining the tempestuous half century that preceded and precipitated william and mary's accession he provides a comprehensive overview of the revolution's context and of its historical meaning prall insists that the revolution of 1688 was the culmination of a long crisis begun back in 1640 and the revolution settlement was the resolution of problems which the puritan revolution and the restoration had left unsolved this is an admirable combination of analysis commentary upon views of historians and chronological narrative starting with the restoration in 1660 and continuing through the act of settlement in 1701 choice

this book is the first comprehensive study of the radical political thought of the brothers johan and pieter de la court two eminent theorists from the seventeenth century dutch

republic who played a pivotal role in the rise of commercial republicanism
