designed to ensure that every medical assisting graduate can quickly trade a cap and gown for a set of scrubs Jones Bartlett Learning's Administrative Medical Assisting, Fourth Edition is more than just a textbook. It's an engaging dynamic suite of learning resources designed to train medical assisting students in the administrative skills they'll need in today's rapidly changing health care environment.

Get unrivaled practice mastering all the concepts and skills necessary for success in today's fast-paced medical office with the Study Guide for Today's Medical Assistant, filled with assignment sheets, pre and post tests, vocabulary practice, short answer review questions, critical thinking activities, competency practice, and evaluations for each chapter. This comprehensive study guide is the perfect hands-on resource to jumpstart your medical assisting expertise. The 4th edition features enhanced coverage of healthcare law, certification, electronic health records, motivational interviewing, office management, and more, as well as additional procedures to address behavior-based competencies and more EHR practice. Expanded application to SimChart for the Medical Office provides more realistic practice with EHRs. Consistent and meticulous coverage throughout all elements of the text and its learning package provide reliable content and unparalleled accuracy on the responsibilities of the modern medical assistant. Chapter pretests and posttests enable you to easily gauge how much content you have mastered. Critical thinking activities encourage you to develop the judgment needed for real-life medical office situations. Laboratory assignments at the beginning of each chapter offer a guide on each chapter's procedures. Practice for competency checklists for each procedure help you practice each of your clinical skills. Perforated pages offer on-the-go review and enable easy assignment submission. New content on healthcare trends and laws, certification for medical assistants, electronic health records, motivational interviewing, office management, and more ensures that you have the latest information needed to obtain employment and long-term success on the job. New competency evaluation for new procedures addresses affective behavior-based MAERB competencies to provide example-driven teaching and learning tools.

There's no better way to get ready for medical assisting certification exams with content review plus 3,000 test items and a customized online exam engine to generate practice sessions and mock exams.
