truth courage patriotism emotions and the nation come together in this simmering narrative nathuram godse assassinated mahatma gandhi as he walked towards the prayer grounds at the birla house in new delhi godse had attempted the attack twice earlier but failed after the third attempt which led to gandhi s death he was arrested at the crime scene and sentenced to death after a year long trial thus began a crucial debate over the assassination with people mourning gandhi s death on the one hand and standing with godse on the other the long trial unraveled the pain of the partition and the poverty of the people who were struggling to start life afresh laying bare the thoughts of the common people and those in power alike why i killed gandhi is godse s confession on why he took the drastic step and the events leading up to it

godse approached gandhi on january 30 1948 during the evening prayer at 5 15pm when godse bowed one of the girls flanking and supporting gandhi said to godse brother bapu is already late and tried to put him off but he pushed her aside and shot gandhi in the chest three times at point blank range with a semi automatic pistol gandhi was taken to birla house where he later died this is the autobiography of gandhi s killer excerpt from wikipedia

as the frequent description of nathuram godse as a hindu extremist people who are less careful with logic assume that his analysis of gandhi s politics must also be an extremist view shared only by other extremists and perhaps a few more harmless eccentrics on many points however godse merely articulated the majority view among freedom fighters among hindus at large and even among mankind in general his insistence on the need for military capability to deter or repel aggressors is shared by political leaders in every country his criticism of gandhi s autocratic and whimsical leadership was voiced by many inside the congress movement his skepticism of the mahatma s mixing of spirituality and politics was shared by many hindus rooted in their tradition including active practitioners of either politics or the spiritual path his scathing verdict of gandhiji as the father of pakistan was certainly a minority view but one shared till today by numerous hindus and sikhs who had trusted the mahatma s assurances partition over my dead body yet found themselves forced to flee from their homes in what had become pakistan yet none of the millions of people who agreed with godse on some or on all points of his critique deduced from their sobre and demythologized analysis that murder was the solution there is no necessary relation between criticism and murder it is an old rhetorical trick of despots to associate criticism of their regime with disorder and crime given the despotic nature of the secularism

imposed on india by a self alienated elite group no one will be surprised to notice that criticism of gandhi s policy of muslim appeasement is routinely criminalized by vocal secularists typically with reference to godse s crime what remains of nathuram godse is the statement he gave in his own defence during the trial on 8 november 1948 after the statement was read in court its publication was prohibited however after the release of godse s accomplices from prison in the 1960s translations in indian languages started appearing and in 1977 nathuram s brother gopal published the english original under the cautious title may it please your honour a new edition with a long epilogue by gopal on the background and the events in prison was published in 1993 under the more revealing title why i assassinated mahatma gandhi the hindu mahasabha has merely published the speech itself and some eye witnesses have laid down in writing their memories of the atmosphere in court when godse spoke justice gopal das khosla one of godse s judges and whose sympathies were certainly not with hindu communalism has left us this impression the audience was visibly and audibly moved there was a deep silence when he ceased speaking many women were in tears and men were coughing and searching for their handkerchiefs i have however no doubt that had the audience on that day been constituted into a jury and entrusted with the task of deciding godse s appeal they would have brought in a verdict of not guilty by an overwhelming majority

in the history of india we rarely come across the story of a person who died an untimely death who s brother suffered a life of immense mental torture and a person whose family faced countless abuses and humiliations what for yes for no other cause than the love for his motherland this person is nathuram vinayakrao godse india s most hated criminal a person who could not bear to see the partition of his country taking place before his own eyes a person who could not see his fellow countrymen being butchered like slaughter cows but does this gross act of injustice to the people of india and the callous disregard for the sentiments of millions of indians justify nathuram godse s action what inspired nathuram godse to decide on january 12 that he must turn into a killer what was narayan apte s vishnu karkare s madanlal pahwa s and gopal godse s role in the conspiracy was there an involvement of an outsider in the assassination of gandhi on whose instructions was savarkar arrested and implicated in this crime could this murder have been prevented by the police was a very influential organization involved in this crime how did digambar badge turn approver there are many questions that raise eyebrows our children are taught in school that gandhi was killed and not why nathuram godse killed him

the men who killed gandhi by manohar malgonkar takes readers back into the pages of indian history during the time of the partition featuring the murder plot and assassination of mahatma gandhi the men who killed gandhi is a spellbinding non fictional recreation of the events which led to india s partition the eventual assassination of gandhi and the prosecution of those who were involved in gandhi s murder this historical reenactment is set against the tumultuous backdrop of the british raj malgonkar s book is a result of painstaking research and from also having privileged access to many important documents and photographs related to the assassination there is no doubt that mahatma gandhi played a leading role in obtaining independence from the british but the problems that ensued afterwards such as the structural rebuilding of the country and the partition led to many riots massive migrations and deep racial and cultural divides not everyone agreed with gandhi and his ideals as a result a plot to assassinate gandhi was devised by six individuals named narayan apte gopal godse madanlal pahwa digambar badge and nathuram godse this was eventually carried out in new delhi on the 30th of january 1948 eventually these six individuals were tried and convicted four of them received life sentences while two of them received the death penalty the first publication of the men who killed gandhi occurred in 1978 during the emergency years as a result malgonkar omitted many vital facts including dr ambedkar s role in minimizing savarkar s criminal conviction this 11th edition of the text contains these omitted facts as well as rare documents and photographs obtained from national archives after the four individuals who were convicted for gandhi s murder completed their life sentences they were interviewed by malgonkar these individuals revealed many details to him which were never known before the author also received access to the kapur commission from his friend mr nayar who was in the indian police service as a result the men who killed gandhi is considered the most historically accurate account of gandhi s assassination plot

description three bullets were shot into the chest of mahatma gandhi by a certain nathuram godse on the evening of 30 january 1948 his true motivations however are today actively obscured and his admirers sit in the indian parliament as members of the ruling establishment this book is a timely effort to remind us that gandhi s killing was not a random act of a mindless killer it was the culmination of a cold blooded conspiracy the men who stood trial for the murder of gandhi claimed that they were acting for a stronger more united india their 78 year old peace loving target they felt was the single biggest impediment to achieving that goal they accused him of dishonesty and treachery he was blamed for the partition of india for appeasing muslims and condemned for fail ing in his duty to the people of this nation to them gandhi

had to die because there was no legal machinery by which such an offender could be brought to book do any of the accusations have any claim to truth whatsoever if not what then was the actual intention that these arguments made by godse were attempting to hide and was v d savarkar among others involved in the conspiracy ashok kumar pandey s why they killed gandhi translated from the celebrated hindi original lays bare the facts of the murder and offers a passionate defence of the mahatma and his politics while simultaneously delivering a trenchant polemic against the ideology of bigotry and perpetual violence that killed him

it is common knowledge that mahatma gandhi was shot dead in 1948 by a hindu militant shortly after india had both gained her independence and lost nearly a quarter of her territory to the new state of pakistan lesser known is assassin nathuram godse s motive until now no publication has dealt with this question except for the naked text of godse s own defence speech during his trial it didn t save him from the hangman but still contains substantive arguments against the facile glorification of the mahatma dr koenraad elst compares godse s case against gandhi with criticisms voiced in wider circles and with historical data known at the time or brought to light since while the mahatma was extolled by the hindu masses political leaders of divergent persuasions who had had dealings with him were less enthusiastic their sobering views would have become the received wisdom about the mahatma if he hadn t been martyred yet the author also presents some new considerations in gandhi s defence from unexpected quarters

author s account as a prosecution witness of the assassination of mahatma gandhi 1869 1948 by nathuram vinayak godse 1912 1949 and the trial includes his views on gandhi s role in india s independence and the relevance of his philosophy today

dhirendra jha s deeply researched history places nathuram godse s life as the juncture of the dangerous fault lines in contemporary india the quest for independence and the rise of hindu nationalism on a wintry delhi evening on 30 january 1948 nathuram godse shot gandhi at point blank range forever silencing the man who had delivered independence to his nation godse s journey to this moment of international notoriety from small towns in western india is by turns both riveting and wrenching drawing from previously unpublished archival material jha challenges the standard account of gandhi s assassination and offers a stunning view on the making of independent india

born to brahmin parents godse started off as a child mystic however success eluded him the caste system placed him at the top of society but the turbulent times meant that he soon became a disaffected youth desperately seeking a position in the infant nation in such confusing times godse was one of hundreds and later thousands of young indian men to be steered into the sheltering fold of early hindutva indian nationalism his association with early formations of the rss and far right thinkers such as sarvakar proves that he was not working alone today he is considered to be a patriotic hero by many for his act of bravery despite being found guilty in court and executed in 1949

finalist for the pulitzer prize a murder mystery travelogue and deeply felt homage to romig s adopted country reading it will inform and outrage you it will also make you crave a dosa suketu mehta author of maximum city romig makes for a powerful effective chronicler of this bleak moment in indian politics the new york times a gripping investigation into the mysterious assassination of a journalist in india revealing the courage and vulnerability of those who are fighting the decline of democracy around the world when gauri lankesh an outspoken journalist in the south indian city of bangalore was assassinated in september 2017 outside her home it wasn t just a loss to her close knit community of writers and activists the shock reverberated nationwide making headlines and sparking mass protests why was she targeted and who was behind it following the case to its stunning unsettling conclusion rollo romig uncovers a world of political extremists fearless writers organized crime and shadowy religious groups i am on the hit list is an epic narrative that moves between a historic booksellers district and brand new high rises funded by it wealth to a secretive ashram in goa and the kitchens of an international vegetarian restaurant chain boldly interrogating whether we can break the cycle of polarization and bloodshed inspiring political murder across the globe
