ngā kupu wero brings together a bounty of essays articles commentary and creative non fiction on the political cultural and social issues that challenge us today from colonisation to identity from creativity to mātauranga māori over 60 writers explore the power of the word accept the challenge of the wero join the kōrero ngā kupu wero is a companion volume to te awa o kupu which presents recent poetry and fiction together these two passionate and vibrant anthologies reveal that the irrepressible river of words flowing from māori writers today shows us who and what we are

as we find ourselves in the midst of a huge technological revolution and the computer screen takes over the printed page the history of the book has become a subject of study throughout the world this collection of 15 essays looks at a wide variety of topics from the short but busy history of the printed word in new zealand several writers discuss the meeting between maori oral tradition and writing and printing others explore the relationship between the new writers of the 1930s like denis glover and the world of printing and publishing the writing and publishing experience of two successful novelists robin hyde and g b lancaster is considered along with two essays on learning to read one about janet and john

this volume is the first to explore the vibrant history of magna carta in aotearoa new zealand s legal political and popular culture readers will benefit from in depth analyses of the charter s reception along with explorations of its roles in regard to larger constitutional themes the common thread that binds the collection together is

its exploration of what the adoption of a medieval charter as part of new zealand s constitutional arrangements has meant and might mean for a pacific nation whose identity remains in flux the contributions to this volume are grouped around three topics remembrance and memorialization of magna carta the reception of the charter by both māori and non māori between 1840 and 2015 and reflection on the roles that the charter may yet play in future constitutional debate this collection provides evidence of the enduring attraction of magna carta and its importance as a platform of constitutional aspiration
