introduction mohenjo daro an ancient city situated in the territory that is presently pakistan has consistently engrossed scholars historians and explorers this captivating metropolis which thrived from around 2500 to 1500 bce at the height of the indus valley civilization functions as a thought provoking homage to the resourcefulness and astuteness of our remote ancestors in addition to its antiquity mohenjo daro s allure derives from the fundamental inquiries it prompts regarding the past being a prominent settlement of the indus valley civilization it offers insight into an earlier period characterized by the emergence of early urban centers in the indus river basin which spanned portions of present day pakistan and northwest india during its height of development the indus valley civilization exemplified human ingenuity with its sophisticated urban planning intricately designed drainage systems and a script that continues to be a mysterious and unsolved mystery the enthralling writing of the mohenjo daro civilization a collection of characters inscribed on seals and objects that have long baffled linguists and archaeologists contributes to the site s allure academic curiosity is still captivated by the prospect of

unraveling the enigmas concealed within these inscriptions which underscores the enduring appeal of the city although there is considerable interest in mohenjo daro fundamental ambiguities continue to surround its history concerns and conjecture continue to surround the factors that led to the eventual collapse and demise of this once thriving metropolis although many hypotheses have been put forth such as potential invasions internal strife natural alterations e g fluctuations in the flow of the indus river or internal turmoil none of them have been definitively established thus the enigma surrounding the downfall of mohenjo daro remains unresolved the historical significance of mohenjo daro transcends its magnificent architecture and priceless artifacts serving as a microcosm that reflects the broader human condition it offers valuable insights into the aspirations achievements and challenges encountered by a once thriving civilization mohenjo daro stands as an evocative testament to our collective human heritage a testament to our insatiable curiosity and desire for comprehension that drives us to delve into the enigmas of the past and uncover the strata of time in addition to the tangible artifacts unearthed during archaeological inquiries the narrative surrounding mohenjo daro encompasses elements of conjecture mythology and the extraordinary archaeologists conscientious investigation has unveiled facets of the culture and way of life of this ancient metropolis but has also cast an enigmatic and ambiguous pall over the findings in addition to unearthing the mohenjo daro masonry and bones these excavations sparked an intricate web of extraordinary theories and interpretations certain of these explanations traverse the mysterious and intriguing path laid out by hindu scriptures which alludes to the alluring possibility that mohenjo daro was once ruled by an extraterrestrial race this article will endeavor to distinguish between fact and fiction by examining the intriguing historical and mythological backdrop that envelops these captivating accusations the field of archaeology endeavors to reassemble the fragments of past civilizations so that the narrative of our progenitors can be deduced from the shattered remnants of their material culture mohenjo daro an architectural marvel of the indus valley civilization has yielded a wealth of tangible remains including inscriptions pottery roads and structures which offer crucial insights into the daily lives and behaviors of its inhabitants by examining these concrete remains we are able to decipher the historical cultural tapestry and establish a factual basis for comprehending the city s existence and decline nevertheless the enigma surrounding mohenjo daro surpasses these corporeal entities compelling us to explore the peculiar and at times the conjectural the riddle s most captivating manifestation is discovered

in assertions extracted from hindu texts which serves as evidence of the enduring allure of the city unexpectedly the archaeological discoveries of mohenjo daro s ruins and tangible artifacts reveal a narrative that transcends the limitations of traditional historiography drawing inspiration from hindu scriptures specifically the puranas this narrative alludes to the former dominion of an extraterrestrial civilization within the ancient metropolis the crux of this captivating allegation revolves around allusions to vimanas discovered in hindu scriptures which form the basis of the claims regarding extraterrestrial rule in mohenjo daro hindu mythology often depicts vimanas as celestial flying carriages or aerial vehicles in certain interpretations they are even likened to sophisticated aircraft or spacecraft advocates of the thesis argue that the vimanas in question were not figurative expressions or sacred symbols but rather physical sophisticated aerial apparatuses controlled by extraterrestrial entities further it is asserted that these extraterrestrial beings not only possessed sophisticated technology but also exerted influence over mohenjo daro and consequently the entire indus valley civilization as evidence the vimanaika shastra an alleged ancient treatise on aeronautics is frequently cited advocates of the hypothesis contend that this document provides comprehensive elucidations of vimanas encompassing their fabrication functionality and capabilities nevertheless it is critical to acknowledge that the vimanaika shastra s credibility remains a matter of dispute among scholars as numerous contend that it is a relatively recent fabrication rather than an ancient scripture the claims regarding the dominion of an extraterrestrial civilization at mohenjo daro primarily stem from conjectural analyses of puranic depictions of vimanas and allusions to aerial celestial beings occasionally these perceptions are supported by imaginative speculation rather than empirical evidence as our inquiry into these assertions progresses it is imperative to acknowledge that scientifically and historically speaking they continue to be firmly grounded in the realm of conjecture the notion that extraterrestrial intervention influenced the development or decline of the indus valley civilization specifically mohenjo daro has yet to be validated by the scientific community at large notwithstanding this these assertions continue to captivate us by combining ancient mythology contemporary technology and historical enigma in order to unravel the complex web of veracity and fabrication that envelops these captivating claims it is imperative that we delve further into their historical and mythological context scrutinizing the strata of culture history and belief that have contributed to the enduring enigma of mohenjo daro in summary mohenjo daro an ancient city situated in contemporary pakistan has

consistently captivated and absorbed individuals the region under consideration was a pivotal center of the indus valley civilization an epoch that lasted from 2500 to 1500 bce an untranslated script sophisticated urban planning and sophisticated drainage systems are all hallmarks of this civilization a city of significant importance during the indus valley civilization mohenjo daro endured for numerous centuries prior to its collapse the causes of which remain a subject of ongoing scholarly discourse environmental modifications such as discharge fluctuations in the indus river have been hypothesized to have influenced the water supply and agricultural practices of the city ancestral presence or internal strife are alternative hypotheses regarding the reason for the city s abandonment specific interpretations of hindu scriptures specifically the puranas lead to claims that mohenjo daro is under the dominion of an extraterrestrial race the aforementioned texts contain allusions to vimanas which are frequently characterized as aerial carriages or spacecraft advocates of the theory assert that these vimanas were sophisticated aerial apparatuses operated by extraterrestrial entities the vimanaika shastra purportedly an ancient treatise on aeronautics is a puranic text often referenced to substantiate these claims nevertheless the text s veracity is the subject of considerable debate and numerous authorities contend that it is a contemporary forgery and not an ancient scripture moreover claims regarding the dominion of an extraterrestrial civilization over mohenjo daro are predominantly founded upon conjectural analyses of puranic depictions of vimanas and allusions to avian deities frequently these interpretations are devoid of concrete evidence and predominantly depend on speculative speculation the assertions that mohenjo daro was ruled by an extraterrestrial civilization or that the vimanaika shastra is an authentic ancient document are not supported by scientific evidence there is an absence of empirical evidence indicating any extraterrestrial intervention during the development or demise of the indus valley civilization archaeological and anthropological research has yielded crucial knowledge regarding the culture society and traditions of the inhabitants of mohenjo daro and other cities in the indus valley indus valley archaeological digs at mohenjo daro and other locations have produced an abundance of information regarding the ancient civilization these discoveries consist of pottery well designed settlements with efficient drainage systems an early form of script seals and other artifacts that provide insights into the daily routines and commercial networks of the harappan civilization these findings offer a more tangible empirically supported perspective on the historical history of the civilization regarding the

demise of mohenjo daro and the indus valley civilization scholarly debate persists some hypotheses attribute the phenomenon in question to natural disasters or alterations in environmental conditions whereas others argue that internal factors including social or political conflicts exerted an influence these explanations do not conclusively point to extraterrestrial intervention
